He can explain the mechanical aspects of power generation as well as successfully managing large operating budgets of over \$200 million annually, navigating through complex leases, legal agreements, and tax treatments.

Joe cares. As SVP Power, Joe successfully led the Power Group for many years. Joe is thoughtful and kind, and cares about people - people are not just a number. Joe regularly spends his time with his family, volunteering for the Friendswood Planning & Zoning Commission, and volunteering at local animal shelters. Joe wants to enable and execute improvements. One of his repeated themes has been "I don't want to just keep things going, I want to make things better." He'd probe and encourage suggestions for improvement, including investing in people through training and budgeting.

Will Joe do a good job? Absolutely yes! He has the skills and experience to do the job extremely well, but most importantly...he cares.

## City OKs Old Townsite sewer work

Pearland City Council on March 27 approved a \$2.88 million contract to Texas Pride Utilities for rehabilitation of sanitary sewer lines in a large portion of the city's Old Townsite area.

"It's a large area; we're doing over 20,000 linear feet," interim City Manager Trent Epperson said.

The work is expected to begin construction in May with completion in February 2024.

## AIISD approves future plan

Alvin ISD board in March approved the district's strategic plan.

Under development since last fall, the plan was created using teacher, student, parent and community member feedback.

"We want our action plan to become part of our district and campus plans," said Dr. Jennifer Valdez, deputy superintendent of Academics. "We don't want all these separate improvement plans out there. We want them all to align so we make sure we're moving in a direction that's best for the district."

From safety to professional learning, the plan includes 19 action plans, each broken down into concrete goals.

"Once we implement a plan with a system we want to be consistent with it. We also need input from our principals on campus," she said.

## Grays, Adams receive Houston's top basketball honors

By DR. DAVID DAVIS  
Reporter News Staff

Each year, the Houston Chronicle selects the "Player of the Year" and the "Coach of the Year" for girls basketball at the conclusion of each season which represents scores of Houston area high schools of all different classes.

This year, those two honors went to Pearland senior RyLee Grays and Pearland head coach Jere' Adams and rightly so!

Adams has been at the helm of the Lady Oilers basketball program for only two years and she was the driving force that led the Pearland hard-court warriors to the Class 6A Region III region finals in 2021-2022 in her first season. Pearland lost to the Summer Creek Lady Bulldogs 59-42.

In 2022-2023, Adams led Pearland back to the 6A Region III finals, but this time the outcome was different.

Adams marked that day as the time to prepare for this year with the vision to avenge that loss and give the Lady Oilers an opportunity to capture the 6A Region III crown and advance to the state basketball tournament.

Adams said last year, "I feel like it was a special group, and the sky was the limit," Adams said. "I was just trying to get to the next day as a first-year head coach. I wasn't surprised to be in the regional finals — I want to make that clear. Our girls deserved it and worked hard to get there."

The Lady Oilers carried that work ethic over to this year and the result was an outright District 23-6A championship and a Region III crown while punching their ticket to the 6A state basketball tournament in San Antonio. Pearland beat the Lady Bulldogs 39-26 for the Region III title.

Adams saw her girls win 35 of 39 games this season while going undefeated in district action at 12-0 to claim the league crown. Under the guidance of Adams, Pearland is 63-14 over the past two seasons as they were 28-10 in 2021-2022.

This was an historical season as this year's team accomplished something that hasn't been done in 43 years when the Pearland girls advanced to the state basketball tournament in 1980 when they were in Class 4A.

**TOP BASKETBALL HONORS IN HOUSTON** - Pearland senior RyLee Grays and Pearland head coach Jere' Adams were named the Houston Chronicle's "Player of the Year" and "Coach of the Year" respectively after the Lady Oilers finished 35-4 this season and advanced to the 6A

RyLee Grays was named "Player of the Year" by the Chronicle for her remarkable season. The North Carolina commit and McDonald's All-American nominee scored 648 total points (16.6 ppg), 416 rebounds, 57 assists, 69 steals, and 46 blocks.

Grays' parents played basketball at Saint Louis University after stand-out high school careers. Her mother, Danyael, played at Clear Brook, and her

father, Corey, starred at San Angelo Central. He is also a Pearland varsity assistant coach.

RyLee's oldest sister, Kori, is a former Pearland basketball player.

RyLee also has a brother, Canaan, 16, who is a sophomore on the Oilers boys basketball team, and a younger sister, Shiloh, an eighth grader, who could continue the Grays lineage on the varsity basketball team as soon as next year.

COACH BUCKELEW

1997-1998 PHS BASKETBALL TEAM

## Pearland head coach Steve Buckelew to be honored

By DR. DAVID DAVIS  
Reporter News Staff

Veteran Pearland basketball coach Steve Buckelew will be honored by former staff and players this coming Saturday, April 15 at 4:00 p.m. at Pearland High School.

Buckelew announced his retirement at the end of this

year's basketball season after 28 years at the helm of the Oilers basketball fortunes. Buckelew finished with 830 career wins and 598 wins as the winningest PHS coach.

The 1997-1998 team won the 5A Region III title which sent the Oilers to the 5A state basketball tournament in Austin where

Pearland faced Midland in the state semifinals.

The event will begin at 4:00 p.m. at the Pearland HS gymnasium (Pressure Pit) and will feature various speakers who will reflect on Buckelew's coaching career. The speakers will range from former coaches, present coaches, family, friends, and former players.

Former Pearland players are particularly encouraged to attend this celebration.

Overall, it will be an opportunity to express gratitude to the legendary basketball coach who touched and influenced so many lives for almost three decades at Pearland High School.

**STERLING PERFORMANCE** - Oiler sophomore pitcher Nico Partida delivers a pitch vs Dawson. Partida had an excellent showing on the mound going 5.1 innings with 10 strikeouts and allowing just four hits plus helping himself out at the plate by hitting a solo home run in the third inning. Relievers Cayden Schmidt and Jake Mader-Cooper finished off the game with four strikeouts as the Oilers took the win 8-1. Pearland went on to complete the regular season sweep of Dawson in a tight 1-0 contest.

**STRIKE CALL** - Dawson sophomore reliever Aaron Rawlinson delivers a strike in the sixth inning vs Pearland. The promising young reliever will need to step up as the Eagles will need wins over Shadow Creek and Alvin to hold fast in the third playoff spot. Dawson will face Shadow Creek at home on Friday, April 14 at 6:00 p.m.

## Pearland diamondmen sweeps Dawson 8-1, 1-0

By DR. DAVID DAVIS  
Reporter News Staff

The No. 2 state-ranked Pearland Oilers improved to 8-0 in district by sweeping the Dawson Eagles 8-1 and 1-0 in District 23-6A competition. The Oilers improve to 21-5-1 overall.

In the first game against Dawson, the Oilers scored a pair of runs in the bottom of the first inning for a 2-0 lead.

Pearland went on to add a run in the third, three runs in the fourth, and two more in the sixth while surrendering a single run in the top of the fourth for the 8-1 win.

The Oilers scored their runs on seven hits led by Brett Smajstrla (2-for-2, 2 runs, 2RBIs) and Nicholas Partida (2-for-3, 1 run, 1 RBI) who both blasted home runs in the game.

Partida's blast was a solo shot to left field in the bottom of the third inning while Smajstrla hit a two-run shot to left field in the bottom of the sixth frame.

Also collecting more than one hit was Cade Adams who went 2-for-3 at the plate.

Partida got the win for Pearland as he surrendered one run on four hits over 5.1 innings. He struck out 10 and walked one. Jake Maden-Cooper and Cayden Schmidt saw relief duty to close out the game.

### PEARLAND 1 - DAWSON 0

With strong pitching from both teams, Pearland was able to edge Dawson 1-0 in a District 23-6A showdown to sweep the Eagles and remain undefeated in league play.

Pearland scored the only run of the game in the top of the fourth frame and that's all

junior pitcher Ryler Smart would need to post the 1-0 win. Smart threw seven innings and allowed two hits while fanning 12 and walking two.

Landry opened up the fourth with a lead-off double but was thrown out at third on a fielder's choice by Nicholas Partida. Braeden Morse lined out to the centerfielder for the second out before Anthony Avalos singled to centerfield to move Partida to second.

Isaiah Castaneda would stroke a two-out single to left field to score Partida for the 1-0 advantage that would stand as the final score.

Leading hitters for Pearland was Brett Smajstrla (2-for-2), Castaneda (1-for-3, 1 RBI), Avalos (1-for-3), Jace Caceres (1-for-3), and Landry (1-for-3).

### The Healing of Memories

For the past 40-plus years, I have collected eagles in my office. I have approximately 40 eagles from the United States and some from other countries made of wood, porcelain, and brass.

As I was sitting in my office this week, I began to think about how every seven years an eagle goes to the highest peak to beat his beak to a pulp...break

his claws and shed his prize feathers that enable him to fly the fastest and furthest while being reduced to a helpless creature. Instead of the majestic picture of superiority in the animal kingdom.

That may seem strange to some, but a further study shows that when the eagle is fully restored...his beak is stronger... his talons are sharper...and his feathers are streamlined enabling him to fly even higher and faster.

I think Easter is time to reflect on our lives lest the day goes by as just another holiday.

The reason I believe we need to take this time seriously is because of a book I have recently been reading entitled "The Healing of Memories."

Here is a meaningful quote which says, "People who carry hurtful memories will allow them to come into conscious recall (remembrance) only under certain trust conditions. Christ's sufferings on the Cross for us and as us provide the trust conditions into the light of consciousness so they can, not only be faced, but healed.

The creation of these trust conditions needs to begin in the very atmosphere of our churches.

Why is it, then, that so many people do not feel free to open themselves up to the healing grace of God? Why are they still hiding behind all manner of defenses? The reason is that all too often the atmosphere in our churches, the attitudes of other Christians, and the very way we proclaim the Gospel do not create the trust conditions which are necessary for healing.

I thought of the great preacher D.L. Moody's words to his preacher boys, "Preach to the brokenhearted...for there's one on every pew."

As I have been reading this book, I began to reflect on the element of healing that is needed in our society. No, I'm not just talking about spiritual or physical healing - as I believe God certainly does that. I'm referring to emotional healing.

I began to ask the question - I wonder how many people enter our worship services each week carrying a load of emotional hurt and guilt; anger and hostility; resentment and bitterness?"

Even as you are reading this - you might think of those things that are affecting your relationship with our God in heaven.

As I reflect on the condition of our country and our society in general, it is my firm belief and conviction that we are in need of a great healing as never before and I've been around a good many years to see how our country has gone through so many negative changes that affect us all.

Easter is also a time to reflect on a future home in heaven as I believe everyone wants to go to heaven some day. After all, that's why Jesus died on the cross so that those who would believe in Him would have eternal life in heaven with Him.

I once heard this description of the Lord - Jehovah.

"The Lord — the One who made the world and everything that is in it — the One who lit the sun and put the stars in their places. The One who threw a carpet of green grass upon the earth and tacked it down with the flowers. The One who scooped up the valleys and piled up the hills.

The One who took the song of the angel and robed it with feathers and gave it to the nightingale. The One who took the rainbow and wove it into the scarf and threw it about the shoulders of a dying storm. That's my Shepherd. At evening time, He pulls down the shade of the night and shoots it through with sunset fire. That's my Shepherd.

Old friend Robert said, "There is nothing we can do to make God love us more. There is nothing that we can do to make God love us less. Thank goodness for Easter!"

## No. 7 state-ranked Lady Oilers blanks Alvin

By **DR. DAVID DAVIS**  
Reporter News Staff

Pearland traveled to Alvin to face the Lady Yellowjackets in a District 23-6A showdown and left victorious with a 5-0 shutout to stay at the top of the league standings.

The Lady Oilers took advantage of five errors by Alvin to score all five runs in the first two frames and then

shut out the Lady Jackets the rest of the game with Abigail Gutierrez in the pitching circle.

Gutierrez allowed two hits, no runs, four strikeouts, and walked only one to get the win.

Pearland scored three runs in the first inning when Hailey Golden singled past the first baseman and moved to second on a walk to Kaylee

Schweitzer. Kennedy Drafton followed with a single to left field to load the bases.

After the Alvin pitcher got two Lady Oilers to strike out, Lydia Njus got hit by a pitch to plate Golden to make the score 1-0 in favor of Pearland.

Trinity Perry also was hit by a pitch to score Schweitzer to make the score 2-0 to keep the bases loaded.

Kelsey Martin worked the Alvin pitcher for a walk to bring in Drafton for a 3-0 before the next Pearland batter would strike out to end the inning with only one hit.

The Lady Oilers would increase the lead in the top of the second to 5-0 when Schweitzer got a one-out single, advanced to second on a wild pitch, and scored on a single to centerfield by Drafton.

Kristyn Whitlock got a two-out single and Raenna Liscano, who had reached base with a walk, scored when she stole home for a 5-0 advantage.

That would be the end of the scoring as Pearland improved to 25-3 overall and 7-1 in district.

Leading hitters for Pearland included Hailey Golden (1-for-4, 1 run), Schweitzer (1-for-2, 2 runs), and Drafton (2-for-2, 1 run, 1 RBI).

**PUNCHING OUT A HIT - Pearland junior second baseman Julia St. John gets a hit vs Alief Elsik.** The Lady Oilers took the win 15-0 in a run-rule game to hold on to first place in district play. The Lady Oilers also got a 5-0 win over Alvin. A final contest with Dawson this week could decide the district championship.

## No. 1 state-ranked Friendswood blanks Manvel 11-0

By **DR. DAVID DAVIS**  
Reporter News Staff

The Friendswood Mustangs scored all their runs before inclement weather postponed their home game against Manvel to Saturday, and then cruised the rest of the way to a run-rule win.

Friendswood (20-2-2, 8-0) scored four runs in the bottom of the first inning and seven more in the bottom

of the second before the weather delay occurred in the top of the third.

The Mustangs finished with 12 base hits, led by multi-hit games from Baylor Resnick (2-for-2, two RBIs, one run, home run, double) and Boots Landry (2-for-2, two runs).

Friendswood also blasted four home runs during the run-rule shortened game, with one apiece from Resnick (solo), Collin Goolsby

(inside-the-park, two-run), Dawson Hinson (solo) and Dane Perry (three-run).

Four Mustangs pitchers combined to throw a five-inning, one hit shutout: Kyle Lockhart (2.2 innings, one hit, two walks, three strikeouts), Jacob Smith (win, 0.1 innings, one strikeout), Ray Vazquez (one inning, one strikeout) and Houston Rhodes (one inning, one strikeout).
