Tragic accident on FM 528 kills one

Early morning, the life of 25 year old Kayleigh O'Neal was tragically cut short in a car accident on FM 528 between Moore Road and Canal Road.

O'NEAL

Responding officers from the Friendswood Police Department attempted to free O'Neal from her 2015 Toyota Avalon, which had rolled over and caught fire during the accident. Two officers were treated for injuries sustained from their efforts, one for smoke inhalation and the other for burns. O'Neal was pronounced dead at the scene.

The area remained closed for several hours while TXDOT engineers evaluated the placement of traffic cones/barrels and warning devices which may have contributed to the crash. TxDOT reviewed the traffic plans and

mitigated deficiencies it identified. City officials were on location throughout the day Monday, Dec. 19 to help oversee repairs and improvements.

O'Neal was employed at B1895 Tavern, owned by Chef Kris Jakob who said, "We were all devastated after hearing the news. Our thoughts are first and foremost with her family. We're praying for each of them as they navigate this tragedy. She was a light and we are really going to miss her."

A GoFundMe campaign has been created to help pay for O'Neal's funeral expenses and support her 7 year old daughter, Addison. Anyone interested in supporting the campaign can find it at <https://gofund.me/c5ac1d4e>.

FAITH MATTERS

...because everyone believes in something!

By Rev. Dr. Brian Gige

I'M DREAMING OF A W-I-D-E CHRISTMAS

"The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth."

John 1:14

Christmas is knocking on the door. Hear it? Some are quick to answer. Some are slower getting out of the chair and others are trying to sneak out the back door to avoid whatever feelings come attached to the words... "Merry Christmas" or "Happy Holy-days!" Born in Ohio ... I spent my first 20 Christmases in snow... meaning almost 40 Christmases now in Texas... so... when I write 'I'm dreaming of a W-I-D-E Christmas...' it's no typo! Yes... another Christmas looms.... What will it be like? Better than all the rest? Not sure? Not wanting even to stop to smell the was-sail? Remember... Christmas comes all by itself... without our coaxing... or our permission... with good cause... and is why I'm wanting a W-I-D-E one...as that's what Christmas is... **W-I-D-E**...

W-onder... start there... "Wonder" not as in 'I wonder what I'll get for Christmas' but 'wonder' as in the reality of God's fullness and how when giving the creation a bold free will... we always choose ourselves over God. We WONDER why things in life get all messed up. We don't have to wonder long. We can't blame God for the mess... only that in Christ Jesus we have in us the power to live in peace... The real wonder comes when we realize that God will not allow us to be consumed by our own selfishness and that in a self-less act comes to us (*Emmanuel = God with us!*) in Jesus... our eternal wonder... whose life, death, resurrection and ascension provides us with a model of the godly life... each and every day...

I-nclusion... which sums up the eternal notion Christmas is not just for Christians... as Jesus' coming into the world wasn't designed for a handful of people... God sent his only son into the world.... out of love... the world... as in 'cosmos...' ... everything out there... at least according to the Bible. So, the second reason that Christmas is a W-I-D-E

deal is that Jesus is for everyone... not just a sinner like me... and just in case you are a bit uncomfortable with the term... "inclusion" ... replace it carefully with the word 'welcoming!'

D-elivering... Having conversations about Jesus and Christmas... words of delivering packages from Amazon, UPS or FedEx is not where the conversation goes! Rather... I try to get to the bottom line... as in if you are going to believe in God or a higher power or some kind of energy beyond the stars and certainly bigger than any one of us or all of us combined... I point out that you will want to place all your faith and trust in a God who can deliver the goods... as in save me and everyone else from sin, death and the power of evil... and... Jesus does that... and searching like a wise man to find someone better...I haven't... and now I have no need to seek another...

E-verywhere... I don't need to look very far to see and experience Christmas! I get the wonder each day and am awed by God's power and presence in my life and in so many others... God's work is eternal... God's grace prevails... it is all around us and in us... And although Christmas gets celebrated on December 25th each year and attached are 12 days to ramp up the joy... I get a taste of Christmas on Festival days and on some other plain old days throughout the year... for a W-I-D-E Christmas is never a date on the calendar... rather, it is an attitude of the heart... Martin Luther once said, "The Bible is the manger in which Christ lays!" Get it? There's a W-I-D-E Christmas for all of us... just open your Bible and you will find the gift that never breaks and will last you all your life! Faith matters... and a happy and W-I-D-E Christmas to you all...

Keep Friendswood Beautiful members have been very busy this year with projects, education, cleanups and improving the environment for Friendswood. As the end of the year approaches, KFB looks back on the 2022 activities.

They welcomed their new KFB chair, Patty Steinke, retired college educator and longtime board member of KFB and the Community Appearance Board.

KFB, the Pollinator garden volunteers, student volunteers and Wanda Murphy logged in over 3,000 hours this year. The volunteers have cumulatively provided a monetary value of their services totaling \$81,600 for their volunteer time per the Independent Sector.

KFB gave away 100 Trees at the 2022 KFB's Annual Tree Giveaway last January.

The group recognized three businesses for the KFB Business Beautification Awards. The businesses are Park Avenue Yarns, Parkwood Professional Building and West Ranch HOA.

Their Pollinator Garden and Fairy Trail in Stevenson Park were recognized by Houston Galveston Area Council Parks and Natural Areas Award

KFB coordinator, Kimberly Ramirez of Friendswood Parks and Recreation Department was invited by Keep Texas Beautiful to judge the Governor's Community Achievement Awards (GCAA) in Austin.

KFB held City Wide Cleanups with Spring Sparkle and Fall Haul. Both events brought in 142.41 tons of trash, 5,242 lbs. of electronics, 13,800 lbs. of shredding, 941 cars drove thru the event, and the garage sales brought in \$2,112.30.

KFB was invited to participate in Kendra Scott's Give Back and collected \$190.70 from sales at the Baybrook Mall store.

The group dedicated a new butterfly bench in Stevenson Park to Natasha McAdoo, former chair of KFB.

The members had several educational presentations at Mary Queen Catholic Church's Earth Day event, Chara Dance Academy Back to School event, and at Friendswood Heritage Gardeners.

The group dedicated a new fairy, Joy, the Wranglerettes Fairy to the trail and, in return, the Wranglerettes dedicated a new bench in Stevenson Park.

KFB was awarded Gold Star Status by Keep Texas Beautiful, a designation granted to 70 affiliates of KTB's nearly 300 affiliates. Gold Star recognition is the membership recognition highest status any community affiliate can achieve.

KFB planted Texas Maroon Bluebonnets purchased from Texas A & M in their garden this year and the bluebonnets bloomed. The pollinator garden in Stevenson Park is totally maintained by KFB volunteers. They work year-round keeping the garden looking beautiful and inviting pollinators, bees, butterflies, hummingbirds and much more to Stevenson Park

Their photo contest had 172 entries and prizes were donated by HomeTown Bank, JJ's Car Wash, Birraportti's and Powerfit.

KFB members attended the Keep Texas Beautiful Conference in Austin

The group won first place for their 4th of July parade entry.

They sponsored a Movie in the Park featuring Encanto with the parents of Hollywood actress, Stephanie Beatriz, (lead actor in movie) attending.

They held three Adopt a Highway Cleanups along FM 518.

Members provided a free educational class, Fall Leaves, where children learned why leaves change color and fall off plants and provided an art project where they painted leaves. These were held in Stevenson Park.

KFB has begun teaming up with Friendswood Great Outdoors in assisting clean up activities in Bay Area Park.

KFB awarded Quakers Landing with a \$2,000 Matching Grant for their beautification project at their neighborhoods entrance.

They supported the conceptual plan for improvements to the Stevenson Park parking lot.

The Fairy Trail map was nationally recognized by the City-County Communications and Marketing Association or 3CMA. They are the nation's premiere network of local government communicators. The map was created by KFB, staff and brought to life by City staff member Katy Blanchard.

KFB assisted staff in writing 1,000 letters to Santa. With the help of Parks and Recreation staff, KFB provided the popular Christmas Fairy Hunt and they have gone through almost 1,250 maps at this time.

Finally, KFB volunteered at one of the biggest city events of the year, Santa in the Park. where over 8,000 people attended.

The KFB members provide services through dedication to make Friendswood a better place to live.

December To Do List in the Garden

It is December and gardeners have a to do list for this month. Check out if any of the following items pertain to you and your garden.

Late December through early February is usually the best time to prune woody plants.

Houseplant potting soils can dry out more quickly in the winter than during the summer with home heating systems. Check soil moisture level more often and water accordingly. Reduce the fertilization of indoor plants from now to mid-March.

Keep indoor poinsettias in bright light and cool temperatures. Poinsettias may cause moderate to severe gastrointestinal disturbances when ingested in sufficient quantity. Be sure to keep poinsettias out of reach of small children and pets.

Plant snapdragons, dianthus, delphiniums, pansies, primroses, and ornamental cabbage.

Snip holly with berries as well as boxwood, cedar, pine, juniper, and magnolia leaves for holiday decorations.

Tulip bulbs which have received the necessary chilled treatment should be planted in late

December or by the first week in January. Tulip bulbs must be planted immediately upon removal from cold storage.

Experimental evidence indicates that exposing bulbs to 10 to 14 days of room temperature (72 degrees F) after removing from cold storage erases the benefits of cold storage.

Make sure plants are well-watered before a freeze. Use mulch, newspaper, or cloth for covering tender plants.

Move azaleas and camellias if necessary.

Sow seeds for larkspur and Drummond's phlox. Sow seeds for sweet peas during the first half of this month.

Inspect holly, camellias, citrus, and other plants for scale insects. Apply dormant oil now or in January.

Chickweed and oxalis are making a cool-season comeback. Weed and mulch.

Plant bulb onion sets. Sow seeds for English, snow, and sugar snap peas. Start tomatoes and peppers indoors from seed.

Houston Texans QB Davis Mills throws a pass vs the Kansas City Chiefs on Sunday. Mills had a promising game through regulation time, with two touchdown passes and a rushing touchdown. The Texans took the 11-3 AFC West Champion Kansas City to overtime and forced the Chiefs to punt in the first series. Unfortunately, a Mills fumble on the first offensive play of overtime for the Texans will overshadow what was a good game to that point for the Texans' second-year QB. The Chiefs needed just one more play to get a 26-yard scoring run and take the game 30-24. The Texans have just one final home game remaining vs the Jaguars on New Year's Day at noon.

AREA GIRLS BASKETBALL REPORT

PEARLAND 59 - ALIEF HASTINGS 36

The No. 2 state-ranked Pearland Lady Oilers continued their winning ways with a solid 59-36 district win over the Alief Hastings Lady Bears. Pearland improved to 17-1 overall and 1-0 in league play.

The Lady Oilers jumped on Hastings at the very outset to immediately get control of the district contest. Pearland outscored the visitors 23-5 in the first quarter and continued to build on the established momentum with a 13-7 second period for a 36-12 lead at intermission.

Pearland head coach Jere Adams made sure they maintained control in the second half as both teams score seven points in the third while Hastings managed to take the final period 17-16 leaving Pearland with a lopsided 59-36 win.

Senior Rylee Grays paced the Lady Oilers on offense with 20 points while junior Nyah Hardy tossed in 16.

Grays grabbed 10 rebounds, four steals, and two blocks while senior Paige Bonner had five boards, two assists, and three steals.

Pearland hit 12-of-20 free throws and 3-of-8 from 3-point range.

DAWSON 72 - ALIEF ELSIK 37

The Dawson Lady Eagles improved to 12-8 overall and 2-0 in District 23-6A competition with a 72-37 win over the Alief Elsie Rams.

The outcome of the game was never in doubt as the Lady Eagles took control from the beginning.

Dawson was led on offense by freshman Kendall Ford (7 rebounds, 3 assists, 4 steals) and senior Ziara James (6 rebounds, 1 block) who both scored a game-high 16 points while senior Miracle Gibson (5 rebounds) added 14 with 4-of-7 from the 3-point arc.

The Lady Eagles hit 11-of-19 free throws.

SHADOW CREEK 51 - ALIEF TAYLOR 50

Shadow Creek won their first game of District 23-6A competition, but it didn't come easy as the Lady Sharks nipped the Alief Taylor Lady Lions 51-50 in the district opener for both teams. Shadow Creek is 11-7 overall and 1-0 in league play.

The Lady Sharks took the opening quarter 9-6 and continued to pull ahead with a 17-14 second period for a 26-20 advantage at halftime.

But the Lady Lions came out hot in the second half as they tied up the game with an 18-12 third quarter to make the score 38-38.

Shadow Creek was able to outscore the Taylor 13-12 in the final stanza for the 51-50 win.

Senior Alana Trail (3 rebounds, 1 assist, four steals) led the Lady Sharks on offense with 14 points while senior Payton Holmes tossed in 12.

Shadow Creek was 10-of-16 from the charity stripe.

Pearland falls to Cypress Falls 58-37

By DR. DAVID DAVIS
Reporter News Staff

Pearland head coach Steve Buckelew is using the non-district schedule to prepare his team for the upcoming District 23-6A schedule.

For the first time in Buckelew's illustrious 28-year career at Pearland, the veteran coach began the 2022-2023 basketball season without a returning starter or letterman. All the players on varsity this year played on the freshman or JV team last season so he is dealing with a lot of inexperience.

The Oilers faced the Cypress Falls Eagles and came up short 58-37, but it was another game to give his players the experience they need at the varsity level.

Pearland faced the challenge for the first three quarters and were very much in the game until the final frame gave the Eagles the win.

Cy-Falls took the opening quarter 17-12 but the Oilers stayed even in the second period 11-11 to give the Eagles a 28-23 lead at intermission.

The third quarter saw the Eagles continue to surge with a 16-12 period for a 44-35 lead entering the final frame.

The wheels fell off for the Oilers as they were able to score only one basket down the stretch while the Eagles tossed in 14 more points to make the final 58-37.

Pearland is now 4-11 overall and will face district competition on January 4 when they play Alief Elsie.

FROM THE CLUTTERED DESK

by Dr. David Davis

A time to reflect and be thankful

One cold winter morning in the city of Birmingham, a woman noticed on the street a small boy with newspapers under his arms. He was without shoes and stood in his bare feet on the grating of the hot air vent outside a bakery.

Seeing his red, chapped feet, she was moved with pity and compassion. "Son, where are your shoes?" the lady asked.

"Lady, I ain't got no shoes," was the simple reply.

The woman invited him to go with her to a store where she bought him some heavy shoes and socks. The little fellow - proud of his gifts - ran joyfully from the store without so much as thanking his benefactor.

She was somewhat disappointed at his lack of gratitude, but as she left the store, he came running back and exclaimed breathlessly, "Lady, I forgot to thank you for these nice warm shoes!" Then he continued, "Lady, I want to ask you a question. Are you God's wife?"

The lady was taken back and stumbled for a reply, and stammered, "Why, ah...no! I'm just one of his children."

The little boy said, "Well, I knowed you must be some kin to Him!"

Christmas Day is upon us - it is a time of sharing and caring. Our lives must reflect a spirit of giving and love that goes beyond this time of the year.

In fact, we all should maintain the Christmas spirit every day of the year because our paths cross those, like this little boy, who have needs.

It is also a time when an old year will soon come to an end and a new year approaches. A time of reflection and a time of renewal. A time to learn from the past and a time to press on to the future. We are never sure what a new year holds for each of us. There will be times of great joy and moments, perhaps, of sorrow and disappointment.

My mother, who passed away a couple of years ago, used

to remind me that she still had what I bought her for Christmas during my growing up years. I think she said it was a red pin cushion in the shape of an apple and something else. But my excitement to see the faces of my mom, dad, and little brother when they opened the small gifts that I personally selected was more valuable than the few dollars that I spent.

To be honest, I still have a problem of giving "gift cards" as a gift. I know it allows a person to get what they "really" want - but it takes the thrill out of actually picking out that special gift for the loved ones in your life.

Today we live in a world with our children of laptop computers, iPods, X-Box, and cell phones. I still cherish the Hopalong Cassidy lunch box that I still have at my home. The Fanner 50 toy pistol or the Roy Rogers rifle was pretty special. Or the new red bicycle that had two lights on the front is still vivid in my mind.

And I still remember the ribbon candy and the chocolate candy with the white filling that I found in my stocking. Some of you old timers remember that don't you?

But when it was all said and done - and the presents had been opened and there was nothing left under the tree but a few of the bows that my mom would leave under the tree - Christmas wasn't about "things" - but about love and sharing. You can't wrap up love and put a bow on it. You can't purchase integrity, character, and honesty and give it as a gift.

As you unwrap your gifts this year remember the "reason for the season" and cherish those special moments that you have with people that you love who are near and dear to your heart. Those who offer unconditional love without a price tag. If you have someone in your life like that — you are a most rich person.

Old friend Robert and I wish you a very Merry Christmas!
