# Friendswood ISD announces FHS Alum Jordan Johnson as the new Athletic Director

Friendswood ISD has named Jordan Johnson as the new Athletic Director and Head Football Coach of Friendswood High School. Johnson is a 2009 FHS graduate and said he is ready to return to the community he calls home.

"I am so excited to return home and for me and my wife Madeline to be a part of a community that is so special to me," Johnson said. "I cannot wait to serve the students, faculty, and community of Friendswood as AD/Head Football Coach. Friendswood is filled with so many special people that I love and appreciate. I cannot wait for this list to grow as we begin this journey."

Johnson's return comes following nine years of coaching experience in two other districts, most recently as the Offensive Coordinator / Quarterbacks Coach at Denton Guyer High School where he helped lead the team to three consecutive State appearances. Johnson said he looks forwards to leading the Mustangs.

"As an athletics program, we will be process-oriented and

**MADELINE AND JORDAN JOHNSON** 

strive to develop the toughest, most willing, most capable student-athletes in the state of Texas," Johnson said. "We will be intentional in our actions from youth organizations to the high school level and will have high standards and expectations for our student-athletes as competitors and people."

FHS Principal Mark Griffon

commented that Johnson's interview left no doubt in anyone's mind that Johnson will be an incredible leader for the athletics programs.

**USPS 013362** 

"I was inspired by the way Jordan communicated his positive vision for our athletes and their success," Griffon said. "I was filled with pride as Coach Johnson shared his vision,

remembering that Jordan is a Friendswood High School graduate and a product of our tradition of excellence."

FISD Superintendent Thad Roher agreed.

"Jordan came to Friendswood at a critical point in his life as a student," Roher said. "The teachers, coaches, and staff of FISD poured into him and it transformed his trajectory. He has the drive in him to pay that forward and now has a unique opportunity to do it in the town and school system that poured into him. This creates a unique level of passion that I think will be transformational for many."

As FISD families are introduced to Coach Johnson, many for the first time, there is something he said he wants them to know.

"To the student-athletes and families of FISD: I can assure you I will be intentional in all things I do," he said. "I am here to serve the student-athletes, faculty, and community of Friendswood. My family and I are all-in and so thankful to be Mustangs."

Mayor Mike Foreman (right) proclaimed Lemonade Day to be a special day in Freindswood in 2022. Foreman is joined by two of the committee members. Jim Foreman and Carol Marcantel.

# **Donations needed** for Lemonade Day in Friendswood

By KAROLYN GEPHART Reporter News Staff

Donations are being sought from local businesses now for the upcoming 2023 Lemonade Day in Friendswood. Lemonade Day teaches youth about creativity, problem solving, and the benefits of hard work.

Lemonade Day is a non-profit organization that is dedicated to teaching kids about entrepreneurship and providing them with the tools and resources they need to start and run their own business, a Lemonade Stand. By participating in Lemonade

Day, children have the opportunity to learn about financial literacy, goal setting, and the importance of giving back to their com-Two Awards Sponsors have

signed up at this time: Entrepreneur of the Year Award will be sponsored by HomeTown Bank of Friendswood and Best

Lemonade Stand will be spon-

sored by BPI. A sponsor for the

Best Tasting Lemonade Award is

still needed

Other sponsorships needed include Presenting Sponsor (\$5000), Main Squeeze sponsors (\$2,500 with two available; Fresh Squeeze Sponsor (\$1,500 with one available); and unlimited amounts of sponsors for Lemon Zest (\$500), Lemon Drop (\$200) and Lemon Aid (\$20-plus). HomeTown Bank

Friendswood is also a Fresh Squeeze Sponsor. The event will happen May 6.

"By supporting Lemonade Day,

we can help ensure that the next generation of entrepreneurs in our community are equipped with the skills and knowledge they need to succeed," Friendswood Lemonade Day Committee member Jim Foreman said. "Your contribution, no matter the size, can help make a real difference in the lives of children in our community. Other committee members

include Jack Foreman and Carol Marcantel.

To donate now, email Carol@friendswoodchamber.com For more information, visit

FRIENDSWOOD POLICE REPORT

**FEBRUARY 20 THRU FEBRUARY 27** 

**BURGLARY** Feb. 20 (7:25 a.m.) A bur-

glary was reported at the

Walden Pond Condomi-

niums located at 111 Dunbar

Estates Drive. The victim

returned home from an extended absence and found a window unit air conditioner was moved to gain access to his home. A laptop computer and personal papers were stolen. Feb. 27 (4:46 a.m.) Two vehicle burglaries were reported – one at the Enclave Apartments, 5000 Watkins Way, and the other at Baywood Apartments, 5025 FM 2351. The first victim was leaving for work when she found the front passenger window smashed on her vehicle. It was parked at the Enclave Apartments. A purse was stolen from the front passenger seat. A Shell credit card inside the purse was used twice at a 7-Eleven on Old Spanish Trail in Houston. After taking the initial report, the officer began looking around the parking lots and found another vehicle with the rear window smashed out in the Baywood Apartment complex. When the owner came outside, he found that his Milwaukee tool bag was missing. It contained a drill,

THEFT Feb. 20 (1:27 p.m.) A vehicle was stolen from a residence in the 16900 block of Oxnard Lane. The vehicle is described as a silver 2019 Chevrolet Equinox, Texas license plates SHC3694. The vehicle was last seen on Jan. 29. The victim returned from an out-of-town trip on Feb. 2 and the vehicle was gone. At first, she thought the car was repossessed, but later found out it was not and believes that an acquaintance may have stolen the vehicle.

hammer drill, Sawzall, skill

saw, and several batteries

and a battery charger.

Feb. 20 (7:29 p.m.) A Friendswood woman reported credit card abuse. She was shopping at HEB, 701 W. Parkwood Avenue, and Welfare concern was left her purse in a grocery cart. The purse contained two credit cards and her driver's license. She quickly canceled the credit cards. A short while later, she received notifications that her cards were used, but Feb. 23 (9:00 a.m.) An auto theft report was taken from Enterprise-Rent-a-Car, 607

declined. S. Friendswood Drive. A black 2021 Volkswagen Tiguan with Texas license plates PDN5165 was rented on Feb. 9. The rental car was supposed to be returned the next day. The person who rented the vehicle used an invalid driver's license number, his contact phone numbers were no good, and the address given was not

Feb. 24 (7:20 a.m.) A theft of construction equipment forks was reported at a con-

struction site in the 1700 block of Friendswood Parkway. The forks had DW4300 welded on them as a distinctive mark.

#### **FRAUD**

Feb. 21 (11:30 a.m.) Police are investigating credit card abuse reported by a victim in the 16600 block of Forest Bend Avenue. The victim told police that her daughter stole \$500 by accessing her Zelle app. The daughter, who allegedly has a drug problem, transferred the money to another person. Feb. 21 (4:15 p.m.) A Friendswood man reported credit card abuse. He received an email about the purchase of kitchenware from the Walmart app. He did not authorize such a transaction and contacted Walmart to cancel the order. The item was supposed to be delivered to an address in Spring.

Feb. 22 (9:48 a.m.) A Friendswood resident recently received email notification that a retailer she does business with had their email servers hacked and her personal information was compromised. On Feb. 21, she received notifications showing that fraudulent transactions were made against her bank account. Feb. 22 (11:57 a.m.) Two

Bank of America checking accounts were fraudulently opened using a Friendswood woman's personal identifying information. Feb. 23 (10:49 a.m.) A Friendswood woman received a series of notifications regarding new online

accounts with Target and Amazon. The victim contacted the banks that issued the credit cards and reported the fraud. Another, in person application was filed for an account with Walmart on El Dorado. Feb. 25 (10:11 a.m.) A Friendswood woman reported identity theft. She dis-

covered that someone opened a Capital One account using her personal identifying information. She found out about the fraud after receiving an email regarding an email address change on the account. Fortunately, the account was closed before it was activated.

# ASSAULT

Feb. 25 (8:43 a.m.) Warrants are pending for the arrest of a 35-year-old Friendswood man charging him with Assault Causing Bodily Injury-Family Violence and Injury to a Child. The assaults occurred at a residence in the 1800 block of Lavaca during the overnight hours of Feb. 24 and early morning hours of Feb. 25. The victim and child left the residence to report the crime and police were unable to contact the suspect.

Feb. 23 (8:12 a.m.) A 37year-old Pearland man was charged with Possession of a Controlled Substance in Penalty Group 1. The sus-

pect was stopped in the 700 block of Falling Leaf Drive due to an expired temporary dealer tag. When questioned, he told the officer that he purchased the vehicle from a shady car dealership and did not know if the dealer plate was valid. During the contact, the officer detected the smell of marijuana. A search was conducted and yielded marijuana and cocaine. Feb. 23 (11:28 a.m.) A 14-

year-old Friendswood Junior High School student was found in possession of a THC vape. A summons will be issued charging the student with Possession of Drug Paraphernalia. Feb. 23 (11:40 p.m.) A 42year-old woman from Highlands, was charged with two counts of Possession of a

Controlled Substance in Penalty Group 1. The woman was stopped for defective lighting equipment in the 200 block of W. Edgewood Dr. During the contact, the officer observed a large knife next to the center console. The woman exited the vehicle and was checked for weapons. During the frisk search, the officer found the suspect was in possession of multiple knives and weapons, and a meth pipe. During a search of the vehicle, the officer found methamphetamine and methadone pills.

Feb. 26 (1:32 a.m.) A 31year-old Rosharon man was involved in a crash at the intersection of W. Edgewood Drive at Woodlawn. He suffered a head injury when he rear-ended another vehicle. During the investigation, the officer looked inside the suspect's vehicle and observed marijuana on the driver's seat. A search of the vehicle yielded marijuana, a gun, mushrooms, and cash. The man was transported to a local hospital. Warrants were filed charging the suspect with Manufacture/Delivery of a Controlled Substance in Penalty

ety test.

Feb. 24 (4:45 p.m.) A 42year-old Alvin man was charged with Driving While Intoxicated - 2nd offense in the 2400 block of W. Parkwood Ave. The suspect was involved in a crash in the parking lot. During the interview, the man exhibited signs of intoxication. He refused any field sobriety testing and was taken into custody. TRAFFIC

# Feb. 24 (12:02 p.m.) A 32-

year-old Houston man was charged with No Driver's License, No Front License Plate, Display Wrong License Plate, and Possession of Drug Paraphernalia. The suspect was observed as a suspicious vehicle in a bank parking lot. When the officer checked the vehicle registration, the license plate belonged on a black GMC pick up but was attached to a black Chevrolet Tahoe. A traffic stop was conducted in the 2300 block of Heritage Colony Drive. During the contact, the officer detected the smell of marijuana. A search of the vehicle yielded marijuana, face masks, gloves, two

license plates, a screwdriver, and two T-handle tire deflaters.

# AREA BRIEFS

#### County observes holiday Thursday

Thursday is a holiday unique to Texas.

March 2 is among county holidays for Brazoria County. Local library branches and offices such as the courthouse and local Drainage District will be closed Thursday, reopen-

On March 2, 1836, the signing of the Texas Declaration of Independence at Washington on the Brazos marked the beginning of the Republic of Texas. Though it didn't quite last 10 years before Texas was annexed into the United States in 1845, March 2 remains a state holiday and source of pride for many Texans.

Public celebrations on Thursday include reenactments beginning at 10 a.m. at Sam Houston Park in downtown Houston and activities from 9 a.m. to 3 p.m. at the Sam Houston Memorial Museum in Huntsville.

Schools, post offices, most offices and banks remain open Thursday. City offices and services remain open and will not be affected.

#### Benefit golf tourney set for April 17

The second annual Pearland Mayor Kevin Cole's Benefit Golf Tournament will be April 17, with proceeds benefitting the nonprofit Forever Parks Foundation.

The tournament begins at 10 a.m. at the Golfcrest Country Club, 2509 County Club Drive, Pearland. Entries begin at

The first-ever tournament raised more than \$60,000 that went toward an inclusive playground at the Shadow Creek Sports Complex. For more information or to register, visit tinyurl.com/ForeverParksTourney. Annual Ruff Runner scheduled March 25

The annual Ruff Runner and Yappy Hour pet-themed fitness event is scheduled for Saturday, March 25.

Beginning and ending at Independence Park, 3449 Pearland Parkway, the Ruff Runner includes a

5K, Kids 1K and 3K. Race times are 7:50 a.m., 8 a.m. and 8:15 a.m.

information For event. events@pearlandtx.gov.

#### Galveston trash exhibits closes soon

A series of art installations throughout Galveston titled "Washed Ashore: Art to Save the Sea," will be on display only through March 5.

The traveling outdoor sculpture exhibit was created from debris found floating in the ocean and is was designed to educate the public on hazards of plastic pollution in the world's waterways.

It is on display in 19 locations throughout Galveston Island. Exhibits, which include an 9-foot octopus and bald eagle with a 17-foot wingspan, opened in December and will remain until March 5.

Locations include Seawolf Park, Saengerfest Park, the Galveston Visitor Information Center, Bryan Museum, Grand 1834 Opera House, Tremond Hotel, Railroad Museum, Children's Museum, Rosenberg Library, Pier 21, Grand Galvez, Pleasure Pier, Rainforest Cafe, Moody Gardens and more. A map of all locations can be found online at tinyurl.com/WashedAshoreGalveston.

### Free session tackles emotional development

A free Parent University session titled "Emotional Development" will be offered on Wednesday, March 8, and can be viewed online during the lunch hour.

Hosted by Alvin ISD through a virtual format, the session begins at 11:30 a.m. and is part of a popular ongoing series offered for all parents and guardians by the district. Participation is free, but advance registration is requested. For more information or to register, visit alvinisd.net/parentuniversity.

# Deadline approaches for

# Friendswood Chamber scholarships

The Friendswood Chamber of Commerce will give two scholarships to graduating seniors in May. Clear Brook and Friendswood High School Seniors can apply for the Chamber's Scholarship.

The Board of Directors has approved one scholarship to Clear Brook High School and one to Friendswood High School student for \$1000 each.

The deadline is Friday, March 10, 2023 at noon. This is the Friday before Spring Break in the area.

Students can drop off their applications to their counselor or at the Friendswood Chamber of Commerce office. The Chamber will notify school counselors who, in turn, will notify the students who will receive the scholarships.

Application requirements include that recipients must be a graduating student from Clear Brook or Friendswood High School and have at least one letter of recommendation. Students must sign the application and drop off six copies, including the originals, of the application and letter(s) of recommendation.

The criteria the scholarship review committee members will consider include scholastic achievements, course major explanation, extra-curricular activities, work activities, letter(s) of recommendation and extenuating circumstances.

"The Friendswood Chamber of Commerce has invested in the education of our youth since 1981," Chamber President and CEO Carol Marcantel said. "Our Chamber members, express a positive vote for education when they fund these scholarships."

The Chamber is located at 1100 S. Friendswood Drive in Friendswood.

For more information or to get assistance, call the Chamber at 281-482-3329 or contact Carol carol@friendswoodchamber.com

### Repairs complete as historic site reopens

A Civil War battleground and memorial in Port Arthur recently reopened after construction closed the site last fall. Sabine Pass Battleground State Historic Site is open from 8 a.m. to 5 p.m. seven days a week, according to the Texas Historical Commission.

The site closed in fall 2022 to repair seawall damage and

other projects. Admission is \$5 per car and RV spaces are available to

rent for \$40. A self-guided tour of the site is available. The site commemorates Confederate Lt. Richard "Dick" Dowling, who with his 46 men thwarted a Union assault on Sabine Pass, which had been the primary port for Confederate supply shipments during the war.

For more information about the site, visit Sabine Pass on Facebook or go to visitsabinepassbattleground.com.

# FAITH MATTE

....because everyone believes in something! By REV. DR. BRIAN GIGEE

#### AND DYING **ON LIVING**

"In the same way that Moses lifted the serpent in the desert so people could have something to see and then believe, it is necessary for the Son of Man to be lifted upand everyone who looks up to him, trusting and expectant, will gain a real life, eternal life. "This is how much God loved the world: He gave his Son, his one and only Son. And this is why: so that no one need be destroyed; by believing in him, anyone can have a whole and lasting life. God didn't go to all the trouble of sending his Son merely to point an accusing finger, telling the world how bad it was. He came to help, to put the world right again." -John 3:14-17

I was talking on the phone with a friend the other day. We've known each other for 30 years. I officiated his wedding and he and his family have made numerous trips to Pearland while I was serving the church here. "How's everything?" I asked... "We're making it..." he said and I could hear both the joy of life and the difficulty that gets tacked on at the same time. "How's your wife?" I continued..." O, she's terrific. She gets tired... but she keeps keepin' on" he replied. "She gets tired. But she still goes to work when she's up to it." "Good," I responded. "Good for her!" ... and then it came... "this cancer thing... God's got this... we're not worried" ... I didn't say anything and I just let God's Spirit push us on... You see... my friend's wife is a breast cancer survivor and now years later she's been diagnosed with pancreatic cancer ...to which we know there is only treatment as the world waits upon a cure. They have children... all old enough to be in college and my friend is finishing veterinary school. His wife is an R.N. serving God by serving others. "We're makin' it, my friend," he said... "every day is a gift!" I agreed.

We talked about a number of things and still our conversation got back to the family's 'health' realities and this is

"You know... I have a colleague who made and interesting comment at a conference years ago..." as this was obviously a teaching moment and God's Holy Spirit is always teaching... "yeah, what's that?" my friend asked. "Well...

we were at a conference and some pastors were standing around talking during a break... with coffee... as pastors will do... when another colleague walked by and in that small circle someone said... 'o man... that's Tom. His wife is dying of cancer.' "And then there was an interruption from that same small circle... 'yeah, that's Tom alright... but his wife is living with cancer...' "Then the whole circle got *quiet*." Faith matters.

"Yeah" my friend said, "Yeah... living with..." because that's what they are doing... getting on with life because of the faith they have in Jesus Christ... and I heard the joy in his heart overpower the difficulty that keeps invading their daily lives... and if you relate to this story in any way or something similar even... you get it... we're all going to die someday... and that's the gift ... to recognize that in between the day we are born and the day we take our last breath... the livin' is on us... each detail... how we embrace all that comes our way and how we deal with the copious pitfalls we cannot avoid...

One of my favorite Van Morrison songs has a chorus which echoes the title...

> When will I ever learn To live in God? When will I ever learn?

He gives me everything I need and more When will I ever learn?

My friend of many years has a family with a deep and abiding faith. He's taken the lead. God has tended to the details... and God will be faithful to the promises only God can keep as they keep living in the midst of the dying none of us can avoid. "We're makin' it, my friend... every day is a gift!" he said. I hope you're makin' it too... as God is always at work making the world right!

The Rev. Dr. Brian t. Gigee is a long-time resident of Pearland, having pastored four churches over the last four decades in Texas and Louisiana. Read more folblog 'murmurings' Brian's https://briangigee.wordpress.com/. Send comments and/or questions to godworks247365@gmail.com.

# March to be busy month for Friendswood seniors with trips, activities

Seniors in Friendswood will have many activities in which to participate in March.

On March 9 the group will take a trip to the Houston Livestock Show and Rodeo from 9 am to 4 pm. Cost is \$10 per person. The group will have a VIP tour through NRG Park with lunch on their own while there.

A trip to a performance of Potato Gumbo at the Pearl Theater in Pearland will be Friday, March 10. Cost is \$20 per person and the trip runs from 6:45 to 11 pm.

Gaming, dining and fun are planned for Thursday, March 23 when seniors take a trip to Naskila Gaming, an enterprise of the Alabama-Coushatta tribe in Livingston. The trip is 8 am to 8 pm and \$30 per person.

Seniors also have the opportunity to watch the Alvin Community College Music Department present The Concert Band Performance Thursday, March 30 from 6 to 9:30 pm. Cost is \$4 per person.

Chair Volleyball is popular and a tournament is planned for March 7 at 9 am. Teams will include groups from Friendswood, Pearland Knapp Center, the Bellaire L.I.F.E. 50+ from the City of Bellaire, and the West U Seniors City of West University Place. A trophy and bragging rights will

be presented to the winners. Friendswood Senior Program asks that only regular Thursday players be eligible to play.

The 22nd Annual Spaghetti Luncheon Fundraiser will be held Tuesday, March 21 from 11 am to 1 pm at the Friendswood Activity Building at 416 Morningside Drive. To place a to go order call 281-482-8441 on that day. Adults \$10 and seniors/children \$8. Proceeds benefit the Friendswood Senior Citizen Program.

For more information call 281-482-8441.

GAME-HIGH SCORER - Dawson senior and East Central Oklahoma commit Jaden Miller (1) skies to the basket for two of his game-high 18 points as he led Dawson to a 63-47 win over Atascocita in the Class 6A Region III area-round basketball playoffs. The victory sends Dawson (31-5) into a regional quarterfinal meeting against District 24-6A champion Clear Falls (late Tuesday). Photo by Michael McManus

# **Dawson takes down Atascocita** to advance to third round

By DR. DAVID DAVIS Reporter News Staff

It looks like third times a charm for the Dawson Eagles after getting a 63-47 win over the Atascocita Eagles in the area round of the Class 6A Region III playoffs.

"We'd lost to them in the third round the last two years," Dawson head coach Mark Barre said. "Us beating them this year in the Texas Invitational created a whole different mentality for us, I thought.

"If we had lost that game, then we might be standing around saying 'We just can't beat these guys.""

Dawson was up to the challenge with a new focus and energy that they weren't going to be denied this year.

The victory sends Dawson (31-5) into a thirdround regional quarterfinal contest against District 246A champion Clear Falls (late Tuesday).

As expected, the game was going to be an up-anddown battle between two Houston area powers.

Dawson took a 13-10 lead at the end of the first quarter and the game was back-and-forth in the second period as Dawson closed with a 25-24 advantage at the end of the first

The third quarter set the tone for the rest of the game as senior Jaden Miller led the way as he hit a 3-pointer at the end of the period giving Dawson a 41-36 lead entering the final frame.

But Miller, who is an East Central Oklahoma commit, got some help when Jaeden Mccleskey and Kendrick Bailey also added 3-pointers to go with 5-of-7 free throws from Miller, Devan Brown, and Charles

The 3-point shooting momentum carried over into the fourth quarter as Keshawn Cotton and Larry Lyons followed Miller's long range bomb with two straight 3-point missiles for a 47-38 cushion.

With 7:20 left in the game, it became a free throw display for Dawson down the stretch as Miller set the pace hitting 8-of-8.

Atascocita hit only one field goal in the fourth quarter but hit 9-of-10 from the charity stripe but it wasn't Dawson enough as outscored Atascocita 22-11 in the frame to post the 63-47 final score.

Miller earned game-high scoring honors with 18 points while Lyons tossed in 17 and Anderson added 11

The Eagles hit 19-of-27 from the charity stripe.

# Lady Bulldogs eliminate Lady **Sharks 56-30**

By DR. DAVID DAVIS

The defending Class 6A Region III champions eliminated the Shadow Creek Lady Sharks 56-30 from the post-season.

The 6A Region III playoff contest began with the Lady Sharks finding some early offense against the aggressive Lady Bulldogs who scored 13 points in the opening quarter while Shadow Creek managed only one field goal while going 4-of-7 from the free throw line for only six points.

Both teams scored nine points each in the second period as Summer Creek had three field goals and shooting 3-of-6 from the charity stripe while Shadow Creek had two baskets and were 5-of-7 from the free throw line as the Lady Bulldogs had a 22-15 lead at intermission.

Summer Creek continued to control the game as they took the third quarter 15-11. The Lady Bulldogs got three long-range field goals as part of their arsenal while the Lady Sharks managed four baskets and 3-of-4 from the line.

Summer Creek took a 37-26 lead into the final frame. Things fell apart for the Lady Sharks down the stretch as they score only four points while the Lady Bulldogs scored

19 points to make the final score 56-30. Shadow Creek finished the season with a 24-13 overall

record and 9-3 in district. Leading scorer for Shadow Creek was senior Kameryn Phillips who tossed in 12 points.

#### Pet peeves of life

Do you remember when you were in school, and someone (usually girls) would walk in the classroom and take their nails and run them

down the blackboard? Gives you chills just thinking about it doesn't it?

I think we all have little things that people do that bother us.

Some things may not bother others, but you know that you have your pet I was standing in line in the

Pearland Post Office waiting to mail a package last week and there were two women being helped by a postal worker that I have known for a long time. While I was waiting, one of the

women was doing something that I haven't heard in a long time — but it revived some old memories of when someone had done it in the past that totally drove me crazy. Now this may not serve as an irri-

tant to you — and you may be one of the few that still does this...but keep in mind that there are those around you that would like to punch your lights out! When the two ladies finally got

their business done and my nerves were almost frazzled...I was happy to learn that the postal worker was also going crazy. It took just a couple of seconds of silence to finally bring us back to a calm.

So what was it?

One of the ladies had some gum in her mouth and she was making that popping sound with the gum. But she was going way overboard with a pop about every two seconds. Some were louder than others.

It reminded me when I was an eight-year-old boy and a friend of mine and I were sitting together in church on the third row. He was chewing gum and my pastor's wife, Mrs. Epton, left her seat, sat down on the pew behind us, reached around with a Kleenex tissue, covered my friend's mouth and said, "Spit it out!" Which he did.

I can guarantee you that he nor I never chewed gum in church again.

It made me want to do the same thing at the post office, but I remained silent thinking this is really a pet peeve with me.

Do you have a pet peeve?

One of the last times I went to a movie theater, someone sitting behind me had a big soft drink that cost a fortune at the concession stand. You can always tell when the cup is empty because the final slurping noise is made with the straw. Which means there is nothing but ice left in the cup.

Once again I braced myself as the sound of the lid came off the cup and then the chomping of the ice began. It sounded like this guy had a hollow head. I tried to remain calm until a guy two rows back said, "Hey dude! Enough already with the ice!"

Do you have a pet peeve?

I've been on an airplane when someone pulls out their own bag of Pork Rinds. You know what that sounds like don't you. And there really isn't a quiet way to eat them — and it can really drive you nuts — making you want to jump out of the plane!

Do you have a pet peeve?

Or I've been in a waiting room when someone unwraps a piece of peppermint candy and puts it in their mouth. Peppermint candy is meant to

suck on until it evaporates in your mouth. But leave it to some and you begin to hear the chomping sound with the empty head effect.

Do you have a pet peeve? If you do send me some of yours.

Would be interesting to find out other pet peeves that we share together. Old friend Robert said, "My

biggest pet peeve is someone who uses the word 'like' in every other word of a sentence."

# Lady Oilers win 6A Region III crown to advance to state

By DR. DAVID DAVIS

Reporter News Staff

Last year at this time, the Pearland Lady Oilers walked dejectedly off the basketball court in the 6A Region III finals after losing to the Summer Creek Lady Bulldogs 59-42 in the region final which sent Summer Creek to the state basketball tournament. Second-year Pearland head

coach Jere' Adams marked that day as the time to prepare for this year with the vision to avenge that loss and give the Lady Oilers an opportunity to capture the 6A Region III crown and advance to the state basketball tournament.

Adams said last year, ""I feel like it was a special group, and the sky was the limit," Adams said. "I was just trying to get to the next day as a first-year head coach. I'm not surprised to be here — I want to make that clear. Our girls deserved it and worked hard to get here."

The Lady Oilers carried that work ethic over to this year and the result was an outright District 23-6A championship and now a Region III crown while punching their ticket to the 6A state basketball tournament in San Antonio on Friday, March 3 at 8:30 p.m.

One of the strengths for Pearland this season is their pressing, suffocating defense that

produces turnovers or allows opposing teams just one shot on each offensive possession.

Pearland allowed on average 31.4 points per game against five playoff teams which included a single basket by Clear Springs in all of the second half of the bidistrict round contest. The Lady Oilers blanked the Lady Chargers in the third quarter 13-0.

That same defensive pressure was evident against Summer Creek as the Lady Oilers outscored the Lady Bulldogs 10-7 in the opening frame.

Both teams were trying to shake early jitters in the first eight

The second quarter saw Summer Creek manage only three field goals while Pearland's RyLee Grays tossed in two baskets as the only points for the Lady O's leaving Pearland with an anemic 14-13 advantage at intermission.

The game took a turn in favor of Pearland in the third quarter as Grays began to find her range while Summer Creek continued to struggle against the defensive pressure by the Lady Oilers.

Grays hit three close baskets and was 4-of-5 from the charity stripe giving her 10-of-the-17 third quarter points for Pearland. Nyah Hardy scored five points

from the free throw line as the Lady Oilers took a 31-18 lead into the final frame.

The teams closed out the contest with eight points each as Pearland scored a single basket but was clutch at the free throw line hitting 6-of-9 free throws. Summer Creek had three bas-

kets and was 2-for-5 at the line. The Lady Bulldogs were 3-of-9 from the free throw line for the On the other hand, Pearland

stripe as they hit 17-of-22 which would make an impact on the outcome of the game. They say offense wins games, but free throws win champi-

onships and that certainly played

took advantage of the charity

a factor in the win for Pearland. In the case for the Lady Oilers, a strong and aggressive defense inside the perimeter, strong rebounding, and an unselfish offense led by a strong presence by Grays makes Pearland a complete team that is headed to the

state basketball tournament. Grays scored 16 points while Janae Tucker tossed in 12 points. Hardy chipped in seven points while Paige Bonner was 4-for-4 from the free throw line in the fourth period.

Tucker, Hardy, Bonner, and

and Janae Tucker was 2-for-2 La'Niah Thornton played strong roles in the outcome of the con-

#### **REGION III SEMIFINALS** Pearland 57 - Katy 30

Pearland completely dominated a Katy team that entered the region semifinals with a 3 2-3

The Lady Oilers used a suffocating defense against the Lady Tigers who had no answer for the defensive pressure while the Pearland offense scored consistently in each period.

Pearland opened up the game 12-9 in the first quarter and then the defense completely blanked Katy while the offense went on a 13-0 run for a 25-9 lead at half-

Katy scored the most points in the third quarter with 13 but it wasn't enough to top the Lady Oilers who fired in 16 for a 41-22

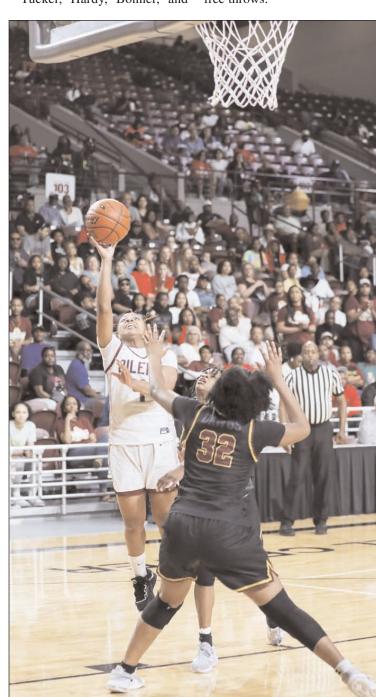

Pearland double the Katy scoring in the final frame 16-8 to post the final 57-30.

Leading scorer for Pearland was Paige Bonner (4 boards, 3 assists, 4 steals) who tossed in 16 while Janae Tucker (4 assists, 4 steals) and RyLee Grays (10 rebounds, 2 steals, 1 block) each pumped in 14.

The Lady Oilers hit 15-of-20 free throws.

TOP SCORER - Pearland senior Rylee Grays (22) drives to the basket to score two of her game-high 16 points while also getting 15 rebounds, 1 assist, and 2 blocked shots in the 39-26 win over Summer Creek. The win punched Pearland's ticket to the 6A state basketball tournament in San Antonio at the Alamodome on Friday, March 3 at 8:30 p.m.

DRIVING TO THE BASKET - Pearland senior Paige Bonner (4) takes a shot on goal against Summer Creek. Bonner hit four clutch free throws in the fourth quarter as the Lady Oilers beat the Lady Bulldogs 39-26 in the Class 6A Region III title game.

### About the CDBG-DR Program

Disaster recovery funding is a component of the U.S. Department of Housing and Urban Development's capacity for helping communities deal with the aftereffects of a hurricane or other catastrophe that destroys housing and local infrastructure. The CDBG-DR program is based on the HUD National Objective that allows communities to spend these federal funds on measures to respond to an urgent need (local and/or state emergency, disaster, major calamity, etc.). Hurricane Harvey impacted the State of Texas, with a portion of its affects resulting in major damage to Pearland homes and local infrastructure. Therefore, the State has determined that Pearland was located in an area where 80 percent of the storm-related damage occurred and awarded \$2,657,147 for the City to improve infrastructure in disaster affected Pearland neighborhoods.

CITY OF FRIENDSWOOD. TEXAS Final Notice and Public Explanation of a Proposed Activity in a 100-Year Floodplain & Regulatory Floodway

To: All interested Agencies: HUD, GLO, City of Friendswood, Groups, and

This is to give notice that the City of Friendswood under Part 58 has conducted an evaluation as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Wetlands Protection. The activity is funded under the Community Development Block Grant -Disaster Recovery, CDBG-DR under HUD Contract B-17-DM-48-0001. The proposed project(s) is located on Deepwood and Woodvine in Friendswood, Galveston County. The project activities include acquisition and removal of twelve single family homes on the property and maintaining the land as greenspace and future flood control. These properties have experienced damage during multiple storm events making them Repetitive Loss structures. The purpose of this activity is to prevent future loss and damages by removing the structures and restoring the property to the floodplain. The project area is approximately five acres, all of which is in the Regulatory Floodway. This project will benefit the natural function of the floodplain, restore native habitat for wildlife and vegetation and prevent future loss and damages of property.

The City of Friendswood have considered the following alternatives and mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values: In order to remove the structures from and restore the floodplain, this action must take place in the floodplain. Alternatives considered for this program include buyout projects using pre-storm values, reconstruction of residential properties or no action. Buying out properties with pre-storm values was not a viable option as most homeowners had already started repairs on their homes post-disaster. Reconstruction of residential properties was considered but because most residents had already filed insurance claims or received funding from other sources such as FEMA or charitable organizations, this alternative was removed from consideration. By not taking action, the property would remain at risk for loss and damages during heavy rain events. The following mitigation measures will be taken to minimize adverse impacts and preserve natural and beneficial functions and values of the floodplain: SWPPP measures, erosion control, site stabilization, adequate disposal and containment measures of demolition debris, and pre-demolition surveys for asbestos are some of the best management practices that will be in place for this project. The City of Friendswood acknowledge compliance with state and local floodplain protection procedures.

The City of Friendswood has reevaluated the alternatives to building in the floodplain and have determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988, are available for public inspection, review and copying upon request at the times and location delineated in the last paragraph of this notice for receipt of comments.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by the City of Friendswood at the following address on or before March 9, 2023: City of Friendswood Fire Marshal's Office, 1600 Whitaker Dr., Friendswood TX. 77546, 281-996-3335. A full description of the project may also be reviewed from 7:30AM-5:30PM Monday - Thursday, 8:00AM-5:00PM Friday in the City Secretary's Office at 910 S. Friendswood Dr. and at https://www.ci.friendswood.tx.us/. Comments may also be submitted via email at eoc@friendswood.com.

NOTICE OF TIERED ENVIRONMENTAL REVIEW AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS LOCAL BUYOUT ACQUISITION PROGRAM **CITY OF PEARLAND** 

City of Pearland, Texas 3519 Liberty Dr. Pearland, Texas 77581 281-652-1795

#### **REQUEST FOR RELEASE OF FUNDS**

to the Texas General Land Office for the release of U.S. Department of Housing and Urban Development (HUD) federal funds under Title 1 of the Housing and Community Development Act of 1974, as amended, to undertake the following

On or about March 20, 2023, the City of Pearland, Texas will submit a request

Local Buyout Acquisitions - Severe-Repetitive Loss Flood-Damaged Properties (undetermined) within the City of Pearland Available Funding: \$2,727,372

#### **TIERED ENVIRONMENTAL REVIEW**

The City of Pearland, Texas has determined that the project listed above will be the subject of a tiered environmental review (broad-based) until each buyout acquisition can be identified and determined to be subject to an environmental assessment or an environmental impact statement, or exempt, per HUD regulations in 24 CFR Part 58. Additional project information is contained in the Environmental Review Record (ERR) on the City's website at . The Record is also on file at the City of Pearland, Texas City Hall located at 3519 Liberty Drive and may be examined or copied weekdays 8:00 A.M. to 5:00 P.M. until March

#### **PUBLIC COMMENTS**

Any individual, group, or agency wishing to comment on the project may submit written comments to Joel Hardy at 3519 Liberty Drive, Pearland TX 77581 or by email to . All comments received by March 17, 2023 will be considered by the City of Pearland, Texas prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing.

#### **RELEASE OF FUNDS**

The City of Pearland, Texas certifies to the Texas General Land Office, per the U. S. Department of Housing and Urban Development, that Kevin Cole in his capacity as Mayor consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. The Texas General Land Office and/or HUD approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows the City of Pearland, Texas to use Program funds.

#### **OBJECTIONS TO RELEASE OF FUNDS**

The Texas General Land Office, per the U.S. Department of Housing and Urban Development, will accept objections to its release of funds and the City of Pearland, Texas' certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the City of Pearland, Texas; (b) the City of Pearland, Texas has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by the U. S. Department of Housing and Urban Development; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to the Texas General Land Office at 1700 Congress Avenue, Austin,

Potential objectors can contact the Texas General Land Office to verify the actual last day of the State's objection period, per federal funds.

/s/ Kevin Cole, Mayor

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND INTENT TO REQUEST RELEASE OF FUNDS City of Pearland Roadside Ditch Drainage Improvements Garden Road, O'Day Road, Woody Road, and Scott Lane

3519 Liberty Dr. Pearland, Texas 77581 281-652-1795

### REQUEST FOR RELEASE OF FUNDS

On or about March 20, 2023, the City of Pearland, Texas will submit a request to the Texas General Land Office for the release of U.S. Department of Housing and Urban Development (HUD) federal funds under Title 1 of the Housing and Community Development Act of 1974, as amended, to undertake the following

Garden Road, O'Day Road, Woody Road, and Scott Lane - Roadside Ditch Widening and Deepening, Culvert Replacements, and applicable Driveway Replacements

Available Funding: \$2,652,147

### **ENVIRONMENTAL REVIEW**

The City of Pearland, Texas has made the initial determination that the proposed flood-drainage improvements described above will have no significant negative impact on the human, wildlife, and/or natural environment in Pearland. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not anticipated. Additional project information is contained in the Environmental Review Record (ERR) on the City's website at and on file at the City of Pearland, Texas City Hall located at 3519 Liberty Drive and may be examined or copied weekdays 8:00 A.M. to 5:00
