Alvin ISD starts new community service initiative - Alvin ISD Serves

During the month of November, be on the lookout for bright green "Alvin ISD Serves" shirts throughout the community! Alvin ISD Serves, a new community service initiative, kicks off on Nov. 1 with schools and departments completing service projects throughout the month.

"Alvin ISD Serves is a way to give back to the community who gives so much to us," shared Alvin ISD Superintendent Carol Nelson. "Our schools and departments have done a fantastic job coming up with unique and helpful service project ideas."

Each campus and department have service projects planned that meet the needs for their immediate school community. You will see Alvin High School Performing Arts students performing for

dementia patients at First Presbyterian Church, JB Hensler Auto Tech students offering auto exterior only detail & safety systems inspections, Alvin Elementary 1st graders creating thank you notes to distribute at the Fire Station and EMS, Mary Marek kindergartners creating kindness rocks to be placed around the neighborhood, and so much more!

"The particular project doesn't matter. It's more about expressing gratitude to the community who gives us so much, and even more so, it is about instilling a heart to serve in our students," said Nelson.

Watch our social media throughout the month as Alvin ISD Serves our wonderful community! #AlvinISDServes

French Quarter project back on track

By N. BRADFORD
Reporter News Staff

A once delayed age-in-place community known as the French Quarter is in the works again after a second reading passed Pearland City Council Oct. 25.

Approved during the council's consent agenda was the final reading to reinstate the expired planned development for the French Quarter, a 62-acre tract in the 3900 block of Pearland Parkway.

The planned development zoning was originally approved in 2020 but expired after the developer took on additional design work to address drainage concerns.

A project of R. West Development, the French Quarter is designed as a mix of single-family homes for active adults, independent living apartments, assisted living and memory care.

Also passing final readings in the consent agenda Oct. 25 were a zone change for newly annexed 15 acres at 3525 Charles Avenue to suburban residential, another zone change to suburban residential for a recently annexed 7.7-acre tract at 5806 Bailey Road and a planned development zone for nearly 80 acres that will become part of the Massey Ranch community.

Pearland bands advance to state

Two Pearland area high school bands have advanced to UIL state marching competition on Nov. 7-9 at the San Antonio Alamodome.

The Pride of Pearland from Pearland High, directed by Ryan Demkovich, will perform at 9:45am on Nov. 7 preliminary

round. Directed by Aaron Brown, the Dawson High Eagle Band will compete later that evening at 7:45pm.

A full schedule and tickets are available at uil.texas.org/music/marching-band/state.

Second tech career forum set Nov. 10

Parents and families are invited to join their students Nov. 10 for an interactive and hands-on technology career event.

The second annual Houston Community Career and Education Forum, or CCEF, is 5:30 to 8:30pm at Endress+Hauser and Vector CAG, 14525 Kirby Drive in Pearland.

Featuring informational booths, industry and college representatives, contests, door prizes and food, the forum targets students in sixth through ninth grades, but hosts say all students and their families are welcome to learn more about careers involving science, technology, engineering and math, along with what it

is like to work in the STEM field.

More than 250 attended the first Houston event, according to Endress+Hauser, which also hosts an event in Greenwood, Indiana. Various booths present interactive challenges for students along with giveaways and how to learn more about what interests. Activities such as robotics, coding, a scavenger hunt, 3-D printing are as interesting to parents as students, organizers of the first event said.

Food, drinks and dessert will be provided, but the registration deadline is this Monday. To register or for more information, visit ccef-stem.com/houston.

Holiday market season arrives

By N. BRADFORD
Reporter News Staff

Houston's popular Nutcracker Market returns to the NRG Center on Nov. 10-13, raising money for the Houston Ballet and drawing thousands to shop for one-of-a-kind gifts.

For those who love the atmosphere of the Nutcracker Market - but don't relish fighting traffic or crowds, a plethora of smaller, community holiday markets have cropped up in recent years.

Like the Nutcracker Market, many of these weekend events raise money for nonprofits while promoting artisans and small businesses.

The following are among Houston area markets set for November:

- The Bay Area Nutcracker Market is this Friday and Saturday at the Pasadena Convention Center, 4334 Fairmont Parkway in Pasadena. Offering holiday shopping for the fourth year, the market promotes small businesses, charities and the local community by offering handcrafted and unique gifts, clothing, jewelry, original artwork, foods, decor and more along with live entertainment.

Hours are 10 a.m. to 5 p.m. both days. Admission is \$5, and those who bring a non-perishable food for the Can-Do Food Drive get \$1 off admission. Children 5 and under are admitted free. Photo opps with the Gingerbread Man are planned for 11 a.m. and 3 p.m. both days. For more information, visit HoustonAreaShow.com.

- Clear Brook High School hosts its annual Holiday Market Saturday from 10 a.m. to 4 p.m. at the campus, 4607 FM 2351 in Friendswood, featuring arts, crafts, food trucks and holiday merchandise. The vendor market is a fundraiser for the Clear Brook Band Booster Club.

- Crosspoint Women's Holiday Market is 10 a.m. to 6 p.m. this Friday at 1123 Old Alvin Road, Pearland. Tickets are \$5 and half of the proceeds benefit Fostering Hope at Crosspoint Church.

- The Webster Civic Center hosts the "Velvet Stocking Christmas Bazaar" Nov. 10 through Nov. 12 at the center, 311 Pennsylvania Ave., Webster.

Admission to this market is free, and vendors offer original artwork, foods, decor, woodworking and more. Hours are 9 a.m. to 7 p.m. on Thursday and 9 a.m. to 5 p.m. on Friday and Saturday.

- Blitzen's Bazaar in Pearland's Independence Park will feature everything from gourmet food items to furniture from an estimated 100 vendors on Friday, Dec. 2. Hours are 9 a.m. to 9 p.m., and admission is free. In addition to vendors, the event includes the official Pearland Christmas Tree Lighting, evening concert and carriage rides. Strollers are welcome but wagons are not allowed. The park is located at 3449 Pearland Parkway.

Despite rain, county under burn ban

By N. BRADFORD
Reporter News Staff

Despite recent rainfall with more predicted, Brazoria County enacted an outdoor burn ban Oct. 26.

"It's drier now than it was as far as fire danger," the county's Emergency Coordinator Steve Rosa told county commissioners when the ban was enacted. "After the last cool front we had, people wanted to get outside. They wanted to clean up and there were lots of fires started. Last weekend, we had two structure fires in the county caused by outdoor burning."

The ban prohibits outdoor burning in unincorporated areas with the exception of container barbecue grills; burning is not allowed inside Pearland city limits.

Texas counties issue burn bans based on a number of factors, one of which is a drought scale maintained by the Texas A&M Forest Service. The Keetch-Byram Drought Index, as it is known, ranges from zero for completely saturated soil to 800, representing absolutely dry conditions with the highest risk of fire.

Brazoria County began the week with an average index of 541, with some areas as high as 633, according to the forest service. More rain is on the way. Scattered thunderstorms are forecast this Saturday, with showers expected on Monday.

The burn ban expires in 90 days but could be lifted sooner if the average KBDI index falls below 400 for five consecutive days.

This week 139 of Texas' 254 counties were under a burn ban, including neighboring Galveston, Harris and Matagorda.

FRIENDSWOOD POLICE REPORT

OCTOBER 24 thru OCTOBER 31

THEFT

Oct. 26 (8:51 a.m.) A vehicle was stolen from the Salem Square Apartments located at 110 Clearview Avenue. The victim realized his vehicle was missing on Oct. 25. The stolen vehicle is described as a black 2012 Nissan Maxima with Texas license plates CWT9411.

Oct. 27 (4:39 p.m.) A theft of liquor was reported at Top Shelf Liquor located at 114 E. Edgewood Dr. The theft occurred on Oct. 25 at 6:30 p.m. At the time of the theft, there were five customers inside the store. Two were lookouts, one distracted the clerk, and the other two committed the theft. Four bottles of Martell Blue Swift and one bottle of Hennessy Cognac were stolen.

Oct. 27 (6:56 a.m.) Tires and wheels were stolen off a vehicle parked at the Enclave Apartments located at 5000 Watkins Way. The vehicle was left on blocks. The incident occurred between 8:30 p.m. and 6:45 a.m.

Oct. 29 (12:15 p.m.) A contractor hired to repair an apartment complex driveway reported a theft. He contacted All In Indoor/Outdoor Construction and Painting Service, a company owned by Nacho Terrones, to deliver nine yards of concrete. They agreed on a date and time. The agreed payment was made using Zelle. The concrete delivery was never made, and all communication has ceased. Nacho Terrones already has a warrant for Fraud in Gregg County.

FRAUD

Oct. 24 (12:46 p.m.) A Friendswood woman reported identity theft. She had ten Capital One accounts opened using her identifying information. She had initially received a debit card in the mail during the

summer but did not follow up with why she received it. This month, she received a statement with charges for the account. When she contacted the bank, they closed 10 accounts that were using her name.

Oct. 24 (12:50 p.m.) A Friendswood man reported identity theft. He had seven credit accounts opened using his personal identifiers. Some of the accounts included AT&T, Cooper State Credit Union, Capital One, American Express, Best Buy, and Discover Financial Services.

Oct. 25 (10:05 a.m.) Between Oct. 12 and Oct. 17, a black male, between 36-50 years of age, 5'3" to 5'9", with a black full beard, and a short fade hairstyle, entered the Friendswood HEB store twelve times. During each visit, the suspect conducted a cash scam involving the self-checkout stations. On one occasion, the suspect was a passenger in a black Toyota Camry with Texas license plate NTB8279.

Oct. 26 (2:54 p.m.) A Friendswood woman received an email about an open bank account with Hancock Whitney Bank. She contacted the bank and told them that she did not open an account.

Oct. 27 (9:20 a.m.) A Friendswood man received a debit card in the mail from Capital One despite never applying for one. He went to a Capital One branch, in person, and found that he is the victim of identity theft. His personal information was used to apply for the account online.

Oct. 27 (9:21 p.m.) A Friendswood woman was checking her bank account when she noticed several mobile checks that she did not authorize. The checks totaled \$43,000.

Oct. 28 (12:29 p.m.) A Friendswood resident reported identity theft after finding that two bank accounts were opened using her personal identifying information. She discovered the bank accounts when she received an overdraft notice in the mail. She called the bank and was advised that there were two accounts in her name.

NARCOTICS

Oct. 26 (1:37 a.m.) A 32-year-old Friendswood man

was charged with Possession of a Controlled Substance in Penalty Group 1. The suspect made two illegal lane changes in the 200 block of W. Parkwood Ave. His driver's license was not valid, and he told the officer his out on bond for a DWI. During the contact, the officer observed an alcoholic beverage inside the vehicle, so a search was conducted. The search yielded methamphetamine, Xanax, marijuana, and a marijuana pipe.

DRIVING WHILE INTOXICATED

Oct. 27 (2:34 p.m.) A witness reported an intoxicated driver on W. Parkwood Ave. near San Joaquin going east-bound. The vehicle was driving into oncoming traffic and was stopped by police in the 1600 block of W. Parkwood Avenue. A 37-year-old League City woman was identified as the driver. She opened the driver's side door and an interlock device fell out. The driver exhibited signs of intoxication and was unable to keep her balance. She failed a field sobriety test and was charged with Driving While Intoxicated-3rd or more offense.

TRAFFIC

Oct. 28 (8:25 p.m.) Two parked vehicles were struck in the parking lot of Autumn Creek Apartments located at 3201 W. Bay Area Blvd. At the time of the crash, one of the victims looked outside and observed a Jeep backing away from the scene. The officer was able to identify the apartment the suspect lived in. Later that night, the suspect left his phone number on the vehicles that he hit.

VIOLATION OF PROTECTIVE ORDER

Oct. 25 (8:10 a.m.) Friendswood Police are investigating a violation of a protective order that occurred in the 16900 block of Townes Road on Oct. 24. A 32-year-old Friendswood woman was the subject of a protective order after she threatened her husband on Oct. 13. On Oct. 24, the woman arrived at the residence, entered the home, and took six weapons from the home. A warrant is pending.

FOUND PROPERTY

Oct. 28 (9:45 a.m.) A firearm was found in the street in the 200 block of S. Friendswood Drive.

H-GAC public meeting set for Nov. 3

H-GAC to host public meeting on transportation vision

The Houston-Galveston Area Council (H-GAC) is one step closer to updating the long-range transportation vision for the region. In response to their asking both Brazoria and Galveston Counties to give input, a Regional Transportation Plan Update public meeting has been set for Thursday Nov. 3 at 6 pm at the Friendswood Public Library.

Before H-GAC finalizes the document that outlines ways they can improve movement around the region, H-GAC is providing the communities with another opportunity to participate. Those who attend can help H-GAC identify what the top transportation priorities are for each community.

H-GAC is providing a Spanish and an American Sign Language interpreter for the hearing impaired.

The Friendswood Library is located at 416 S. Friendswood Drive in Friendswood.

FAITH MATTERS

By Rev. Dr. Brian Gige

ELECTION DAY

“Therefore, as God’s chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience.”

- Colossians 3:12

How many times were you ever that last one picked? The only time it was ever good to be last was in the Spelling Bee at school because then you were the winner and oh yes, there was musical chairs...and the cheese stands alone and then you are a winner, too. But, for most of us we learn early on in life that our world is full of winners and losers. Superbowls, lotteries, poker games, etc. place us in a position to win or lose and in those cases it’s not about how you play the game. The next-to-the-last-one standing is still left out. But, that’s not God’s way... there’s one better as ‘election’ is God’s way of reminding us how important we really are and that in God’s way of thinking we are never losers but, rather, all winners... all important... as the Bible reminds us, *“God is no respecter of persons”* (Acts 10:34) ... meaning... we all count... all loved the same by the one who has enough love for us all...

Just for the record... I’m typing this on October 31... an infamous day for those who profess a Lutheran Christian faith... and being of the tribe of Lutherans... this is the day in 1517 when Martin Luther posted his 95 statements about the future of the Church. It seemed like a ‘protest’ to many yet a declaration of Godly dependence to others... changing the trajectory of the Christian movement in the world... and frankly... words which continue to express today a certain freedom in the world for those who seek the face of God...

Martin Luther was also known for writing hymns and his most famous is one many people of all faiths know well... based on Psalm 46... going by the title of *“A Mighty Fortress Is Our God”* of which one of my favorite verses goes like this...

“No Strength of Ours Can Match His Might.

We Would Be Lost Rejected

*But Now a Champion Comes to Fight
Whom God Himself Elected*

*You Ask Who This May Be
The Lord Of Hosts Is He
Christ Jesus Mighty Lord
God’s Only Son Adored
He Holds The Field Victorious!”*

Our God IS a mighty fortress and has done something unique within all religious expressions around the globe... that is... taking on human form to live among the people... to show them how righteous and purposeful and holy life can be and in the end willing to go to the cross to take on the cosmos’ shortcomings and brokenness but also to prove the point that sacrifice produce new life... God raised Jesus from the dead... because Jesus was ‘elected’ to do that very thing that not a one of us could even get close to accomplishing!

You see... the Bible is full of chapters and stories of those who were chosen... elected... selected or voted for... to address certain moments for the sake of the Kingdom. And that is why I write each week that ‘faith matters...’ whether it be Noah or Moses or the judges or the kings or Queen Esther or the prophets or John the Baptizer or the disciples or Saul of Tarsus or even Stephen and Philip who were elected by the disciples to add a new layer of leadership to the early church... and then comes the letter to the Colossians about being *“God’s chosen people...”* a title ...chosen... selected... voted for or elected... by Christ himself and a tag which applies to each and every one who calls Jesus... ‘Lord.’

But... then there’s this... Election Day November 8, 2022... and I recall the words of my dad... *‘go vote. Pull the curtain. Cast your ballot. Don’t tell anyone who you voted for... but present yourself with compassion, kindness, humility and patience and be the best citizen you can be...’* making every day... *‘election day’*...because faith matters even to God!

OBITUARY

McCord

Myrtis Moore McCord, 90, formerly of Friendswood, died peacefully and with great anticipation on Oct. 15, 2022. She was admired by everyone who met her - young children were attracted to her like magnets, family and friends sought out her wisdom and humor, and those who cared for her in her final years confessed that, although they weren’t supposed to have favorites, Myrtis was their favorite. Myrtis was born on Feb. 1, 1932, to Geneva and Virgil Moore in their home in Belden, MS. She earned a B.A. from Blue Mountain College and an M.L.S. from Louisiana State University, where she met her beloved and adoring husband, Joe McCord. They married on March 16, 1963.

Despite growing up in poverty, Myrtis had a ridiculously happy childhood, which she and Joe gave their own children. They taught their children

that the greatest sources of joy are family and friends, knowledge and learning, nature, helping others, and honoring the giants on whose shoulders we all stand.

Myrtis was a true steel magnolia, both exemplifying and challenging traditional roles and expectations. She did not think of herself as brave, yet she consistently faced her fears to stand up for what was right and to protect others.

Myrtis lived a remarkable life through extraordinary times, and she will be sorely missed by all.

She is preceded in death by her parents and husband; brother Jon Orion Moore and wife Evelyn; and brothers-in-law Lynn McCord, Jim McCord and wife Lorine, Clarence McCord, and Jesse McCord.

She is survived by daughter Gretchen McCord DeFlorio and son-in-law Dominick DeFlorio (Rockdale, TX); son Jody McCord (CO); sisters-in-law Frances McCord (LA) and Jean McCord (GA); numerous nieces, nephews, and their children; and countless friends, colleagues, former students, and more, all grateful that she was a part of their lives.

See details about the Nov. 18, 2022, in-person and virtual gathering to celebrate Myrtis and in lieu donations at www.holdingspaceevents.com/myrtismccord.

Nutcracker Collection on site at Christmas Home Tour

By KAROLYN GEPHART
Reporter News Staff

The Nutcracker Hut is on this year’s Heritage Gardener Christmas Home Tour. This “hut” is the new home of Lois Peden and it is truly a Holiday Wonderland filled with nutcrackers in every room. Peden loves to decorate for Christmas and tourgoers will enjoy her work.

Each room is different and ‘over the top’ in décor.

Nutcrackers from her vast collection are part of each area and was an ideal idea to make them her tour theme. For the two day tour, her grandson will be dressed as a living nutcracker.

Peden has lived in Friendswood since 1979 and this year her grandchildren helped her decorate her home. Trees, garlands and holiday swags add to the seasonal spirit. In one room where a beautiful rose quilt is displayed, a decorated tree with roses has been placed.

Peden has two sons and a daughter, 10 grandchildren and seven great grandchildren.

Tourgoers will enjoy getting into the holiday spirit visiting a home filled to the brim with holiday spirit.

The Christmas Home tour also has three more private homes and the three local museums. Museums include the Frank Brown Museum, the Perry Home and the Friendswood Schools Museum where the theme will be a Mustang Christmas. The Brown Museum and Perry Home will be decorated in period style of each.

At the garden clubhouse at 112 W. Spreading Oaks, there will be a Holiday Market with shopping that offers the perfect gifts and stocking stuffers for all ages. Shopping is free and runs from 9 am to 4 pm each day.

A Holiday Bakery will answer all your needs for what to serve at Thanksgiving as well as offering delicious treats to nibble and/or share with others.

The raffles are big and exciting this year. Raffle tickets as well as tour tickets will be on sale at the clubhouse. Tour tickets are also on sale now at businesses around town now.

Pearland solidifies playoff spot with win over Strake Jesuit

By DR. DAVID DAVIS
Reporter News Staff

Pearland got a much-needed win over Strake Jesuit to

punch their ticket for the 23rd straight year to the post-season. The Oilers overcame some turnovers to get a 24-14 district win to improve to 5-4 overall and 4-2 in district.

The Oilers will host Alief Hastings (1-8, 1-5) at The Rig on Thursday, Nov. 3 at 6:00 p.m.

New head coach B.J. Gotte has seen his team grow with each game this season.

“Overall, I was pleased with how we played in all three phases of the game,” Gotte said. “Defensively we did a good job limiting the No. 1 ranked offense well below their average in yards and points. It was our most complete game on the defensive side of the ball.”

Special teams wise, we handled the elements well and Jackson Staggs was able to make a late field goal into the wind to give us a two-score lead.”

Pearland’s defense held Strake Jesuit to 99 yards rushing and 66 yards through the air for a total of 185 yards and two scores.

The Oilers doubled the offensive output of Strake with 238 yards on the ground and 143 yards passing for a total of 381 yards and 24 points.

Both teams came up empty on offense after the opening quarter, but Pearland scored in the first minute of the second quarter when sophomore quarterback Jackson Hamilton tossed a screen pass to sophomore LaDamion McDowell who turned it into a 55-yard touchdown. Jackson Staggs added the PAT for the 7-0 lead.

Strake Jesuit answered the score in the second frame making the score 7-7.

With 1:12 left in the first half, McDowell took a handoff from Hamilton and raced around the right end for the Oilers second touchdown of the game to make the score 14-7 at intermission.

Strake scored in the third quarter to once again tie up the game 14-14, but the Pearland offense answered when Hamilton threw a 25-yard scoring pass to Evan Garcia to give the Oilers back the lead 21-14 with 9:56 left in the third period.

Pearland’s defense controlled the rest of the second half and the Oilers offense added a 28-yard field goal by Staggs with 6:31 remaining in the game to make the final score 24-14.

“I was proud of our offense for overcoming some early penalties and a costly turn over early in the second half to take control of the game late and keep the ball out of Strake’s hands in the final minutes,” Gotte said. “We are young on the offensive side of the ball but continue to find our identity while gaining quality experience.”

“I am excited that our kids were able to earn a playoff spot last week and look forward to finishing off the regular season against an athletic Hastings team Thursday night.”

Hamilton was 8-for-15 passing for 143 yards and two touchdowns and two interceptions. He also rushed for 50 yards on seven carries.

McDowell led the ground attack with 126 yards on 26 totes and a score. He also caught three passes for 65 yards one TD.

Kennedy Lewis had 59 yards on nine carries.

Garcia had one catch for 25 yards and a TD. Patrick Bridges had two grabs for 24 yards. Gabe Ortiz had one reception for 22 yards.

GREAT DEFENSIVE PLAY - Pearland’s Gabriel Sheppard intercepts a Strake Jesuit pass and takes it for a short return in the third quarter. Shadow Creek shuts out Alief Taylor 45-0

By DR. DAVID DAVIS
Reporter News Staff

As the 2022 regular football season winds down - the Shadow Creek Sharks remained perfect with a 9-0 overall record and 6-0 in district while claiming the 23-6A crown for this season after beating the Alief Taylor Lions 45-0.

Shadow Creek will close out the season by hosting the Strake Jesuit Crusaders on Friday, Nov. 4 at 7:00 p.m. at Freedom Field.

Shadow Creek had to deal with less-than-ideal weather as the teams battled in soggy conditions.

The Sharks took control of the game early as the defense led the charge by scoring two quick touchdowns thanks to a 30-yard interception return for a score to give Shadow Creek a 7-0 and then Aiden Benjamin got a second interception and returned it 20-yards for a TD making the score 14-0.

The Sharks got an 8-yard scoring run by Jacob Washington to make the score 21-0 in the first quarter and then quarterback Duke Butler hit Jacorey Watson on a 6-yard touchdown pass for a 28-0 advantage. Kicker Aiden Bui hit all four PATs.

With the score at 28-0 at intermission, the Sharks added 10 points in the third quarter when Joshua Best snagged an 8-yard scoring toss from Butler. Bui would later kick a 27-yard field goal making the score 38-0 at the end of three periods.

The Sharks would add one more score in the final period when Christian Seriale caught a 15-yard touchdown pass from Watson. Bui, who finished with nine points, added the PAT and the final score was posted 45-0.

Butler, who was hurt early in the year and missed several games, was back in action and hit 13-of-21 passing for 66 yards and two TDs.

Washington led the ground attack with 11 carries for 90 yards and one score.

Best had three catches for 22 yards and one score, Seriale had two grabs for 23 yards and a TD while Watson had four catches for 18 yards and a touchdown.

TOUCHDOWN RUN - Dawson junior running back Bryce Burgess scored on a 35-yard run as the Eagles beat Alief Elsiek 26-16. Burgess had 23 carries for 152 yards and a score. Dawson will travel to Alvin to face the Yellowjackets in the final game of the regular season on Friday, Nov. 4 at 7:00 p.m. at Alvin Memorial Stadium.

Dawson slides past Alief Elsiek 23-16

By DR. DAVID DAVIS
Reporter News Staff

The game between Dawson and Alief Elsiek was played in constant rain with wind which meant less than ideal conditions. The outcome didn't really matter as far as determining the playoffs as the Eagles have already punched their ticket to the post-season while Elsiek will be staying at home once again.

But head coach Mike Allison never wants to give up the momentum entering the playoffs and he was happy to get the win despite the conditions.

"I have faith that we will be better from playing in the terrible elements," Allison said. "The kids battled, and I will always take an ugly win."

Dawson improves to 5-4 on the season and they have clinched their place in the playoffs behind District 23-6A champion Shadow Creek who remains undefeated on the season at 9-0 and 6-0 in the district standings.

Elsiek entered the game in the basement of the District 23-6A standing with a 1-8 season record and 0-5 in the league standings.

So it came as a surprise to see the Rams get the opening kickoff in the driving rain and go 64-yards in 5-plays for four-yard touchdown plus they were successful on the 2-point conversion for an 8-0 lead with 10:36 left in the opening quarter.

The big play for Elsiek was a 37-yard run by running back Phavian Horn to the Dawson 27 on the first play of the game.

Elsiek would score one more time in the fourth quarter when the score was 23-8.

Meanwhile, Dawson answered on their first possession of the game when they went on an 80-yard, 9-play scoring march capped off by a 24-yard scoring strike from QB Colin Johnson to wide receiver Braylon Howard to make the score 8-7 following the PAT by Ayden Treadaway with 5:48 left in the opening stanza.

With on :50 seconds left in the first quarter, the Eagles would take the lead for good when they got a safety after pinning the Rams on their own one-yard line to make the score 9-8.

Dawson would get the ensuing kickoff at their own 29 and find the end zone once again, this time on a 35-yard run by Bryce Burgess to complete the 5-play, 71-yard drive with 11:09 remaining in the second quarter. The Eagles would maintain the 16-8 lead at intermission.

The weather continued to affect the two teams as Dawson managed to score once in the third as Kenneth Stroman scored on a 5-yard run with 2:45 left in the third to give the Eagles a 23-8 advantage.

Elsiek managed to make the game interesting as they went on a 63-yard scoring drive capped off by a 1-yard plunge by Gregory Harris at the 8:07 mark of the fourth period to close the gap to 23-16 following another successful two-point conversion.

Neither team could penetrate the goal line again as Dawson hung on for the 23-16 win.

Johnson was 8-of-10 passing for 58 yards and one score. Bryce Burgess had 23 carries for 152 yards and a score. Stroman 21 totes for 95 yards and a TD.

Howard had three catches for 24 yards and a score while Josh Gillis-Henry had three grabs for 23 yards.

Dawson will travel to Alvin to face the Yellowjackets in the final game of the regular season on Friday, Nov. 4 at 7:00 p.m. at Alvin Memorial Stadium.

DISTRICT 23-6A CHAMPIONS

The Pearland Lady Oilers beat the Alief Hastings Lady Bears to close out the 2022 regular volleyball season with a perfect 12-0 mark and 33-12 overall. The Lady Oilers beat the Lady Bears 25-12, 25-10, 25-15 to capture the 23-6A crown. Pearland will face Clear Falls in the first round of the Class 6A Region III bi-district round of the volleyball playoffs.

DAWSON ADVANCES TO VOLLEYBALL PLAYOFFS

The Dawson Lady Eagles closed out the 2022 volleyball season with a sparkling 29-13 overall record and 10-2 in district. The Lady Eagles advance to the 6A Region III post-season and will face the Brazoswood Lady Buccaneers in the bi-district round.

GREAT CATCH

Houston Texans wide receiver Brandin Cooks goes up high to catch a pass from quarterback Davis Mills for 26 yards vs the Tennessee Titans. Cooks finished the game with four catches for 73 yards. The Texans offense struggled to put together a sustained drive for most of the game and the visiting Titans held them off to take the win 17-10. It could be Cooks' final game as a Texan with trade rumors running rampant. The Texans stay home this week for a tough contest with the undefeated Philadelphia Eagles on Thursday night.

In The Garden

Garden Tasks to do in November

November in our area can be mild with a few days of cool sprinkled here and there. Time will tell but there are several tasks for gardeners to do this month no matter what the temperature.

Plant English peas or snap beans, turnips, radish, spinach and mustard greens this month. Last call is being made to plant parsley, lettuce, and beets.

Set out pansy and viola transplants. Plant dianthus, stock, candytuft, calendula, and allyssum transplants now. These young plants are being offered now at various nurseries and big box stores.

Plant the following bulbs outside: alliums, amaryllis, crocus, daffodils, freesias, *Leucojum*, muscari, and rain lilies. Chill tulip bulbs for six to eight weeks. For indoor enjoyment, plant paper white narcissus, hyacinths, and crocus bulbs in pebbles or water. Enjoy them for the holidays. Amaryllis bulbs can be easily forced to bloom for Thanksgiving and Christmas. Forcing new amaryllis bulbs in late December, they will bloom for Valentine's Day.

As chrysanthemums and other perennials finish blooming, cut the flowering stalks to the ground to encourage all the strength to be used in root growth. Pinch off the tops of calendulas, delphiniums, snapdragons, and stock to promote bushy growth.

Now is an excellent time to plant trees. Transplanting during the winter months allows the root system of the plants to become established prior to spring growth and summer heat. Do not fertilize newly planted trees or shrubs. Fertilize instead next spring after the plants have put on new growth.

Prune oaks and other shade trees now through Jan. 31. Prior to bringing houseplants inside for the winter, check them for signs of scale, mealy bugs, and spider mites.

Trees are losing leaves around us and some even have color changes but don't let them stay on your lawn. Keep leaves raked for a healthier lawn and to reduce fungal leaf spot problems of trees.

Enjoy the fall weather by participating in these gardeners tasks for this time of year.

Minions downtown win scarecrow contest

The Friends of Downtown Friendswood Association hosts the Downtown Scarecrow Contest.

To participate, scarecrow enthusiasts create an original, fun fall display which

incorporates a traditional or whimsical scarecrow and display their creation in the Downtown District of Friendswood for all to enjoy.

The contest is open to all businesses, individuals, families, and groups and on display Oct. 8 through Nov. 5. FDFA encouraged all to vote for their favorite scarecrow through online voting.

Voting closed on Oct. 28. The winner of the 2022 Downtown Scarecrow Contest, with a majority of the votes is the FIDSD Transportation Department. The scarecrows they designed were from the movie Minions.

FDFA would like to thank everyone for their participation in this fun community event. Scarecrows will be on display through the end of the week.

FDFA member Jennifer Whitley chaired the event this year.

Human Trafficking Awareness, Prevention event to be held

The City of Friendswood is joining the Bay Area Houston Economic Partnership (BAHEP) and the Houston Airport System (HAS) in addressing the impact of Human Trafficking. Spreading knowledge and awareness is a critical factor in the fight against this heinous crime. The Ellington Area Human

Trafficking Awareness and Prevention event to combat Human Trafficking will take place Friday, Nov. 4 starting at 10:30 am at the Lone Star Flight Museum at 11551 Aerospace Avenue in Houston.

The news conference will run from 10:30 to 11 am with a panel discussion following from 11:30 to 12:30

pm. Moderator is Kerri Taylor, Executive Director of Unbound Now.

A barbecue sandwich lunch will be provided.

The event is free. To get tickets, visit <https://www.eventbrite.com/e/ellington-area-human-trafficking-awareness-prevention-event>.

Free legal clinic for Veterans set for Nov. 7

Metroplex Veterans Legal Services is conducting a virtual Veteran's Expunction and Orders of Non-Disclosure Legal Clinic on Monday, Nov. 7 at 2:00 pm. This clinic is a partnership with the law firm of Sidley Austin LLP, and American Airlines.

This clinic also focuses on assisting all of the Harris, Brazoria and Montgomery County Veterans Court program graduates with the expunctions or orders of non-disclosure from their criminal case. This free legal program offers services to the graduates of the Harris, Brazoria and Montgomery County Veterans Court without restrictions on eligibility based on the Veterans current income.

An Expunction removes all records of an arrest and/or subsequent court case from the public record and the individual may legally deny or fail to acknowledge ever having been arrested for or charged with any crime which has been expunged. A record of an arrest without a conviction

is a barrier for employment. An order of nondisclosure is a legal remedy available to people who successfully complete deferred adjudication probation, in which a Texas court orders that your criminal history on a particular case be sealed from public view. A criminal history can be a barrier for housing.

Metroplex Veterans Legal Services offers single issue legal clinics to Veterans on a pro bono basis. Our legal clinics focus on removing the legal barriers to employment for Veterans, and assisting disabled Veterans to obtain military disability benefits.

Our legal clinics address three of these unmet legal needs, for child support modification, restoring driver's licenses, and legal assistance for warrants and fines.

The clinic will be held virtually on Nov. 7 at 2:00 pm.

Veterans must register on-line in advance of the clinic at <http://greaterhouston.veteranslegalservices.us>
